MEMORANDUM

To: 65-22652, 77-7144 & 77-10058
From: Denise Buffington
Date: June 29, 2004
Subj: Address Change & Contact ID information

We received an address change from Hugh L Fulton on 6/28/2004 indicating that he was moving from Grants Pass, Oregon to Kuna, Idaho. In checking the database for additional water rights, it was discovered that there were two other water rights under the same name, in Riggins, Idaho. However, the Basin 77 water rights had a Riggins, Idaho address on file.

I contacted Mr. Fulton today, and he informed me that the Basin 77 water rights are associated with his father, and his father still lives in Riggins. Therefore, our database should reflect that they are not the same person. They have the same middle initial, but not the same middle name.

After discovering that our database cannot separate two claimant records with the same name by address alone, I called Hugh Fulton in Oregon again, and left a message, to get his permission to use his middle name on his water rights, in order to separate him from his father in our database.

He returned my call late today and gave permission to add his middle name to his water rights.

The addresses are as follows:

77-7144 & 77-10058	65-22652
Hugh L Fulton (father)	Hugh Lloyd Fulton (son)
PO Box 83	1115 S Eagle Rd
Riggins ID 83549	Kuna ID 83634

In addition, this was verified with the Idaho County and Valley County Assessor offices and they, too, were under the impression that they are two different people.
