EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

Failure of the right holder to comply with the conditions of transfer 74164 is cause for the Director to rescind approval of the transfer.

A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.

The right holder shall accomplish the change authorized by transfer 74164 by January 18, 2009.

This right does not grant any right-of-way or easement across the land of another.

Water is delivered through the Runsten Mintzer Ditch.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 75C.
