Re: Amended Claims/Director's Reports in Accordance with Rule 10.f

Dear Clerk:

Please find attached an Amended Director's Reports for water right no. 67-11491. The claimants, in accordance with Rule 10.f of Administrative Order 1, filed an amended claim, as the initial hearings for Basin 67 have not already occurred. A late objection to this water right recommendation was lodged with the Court on or about September 4, 2007. The objection was to the place of use.

The claim for 67-11491 includes combined use language with claim 67-14877 limiting the irrigation to a combined total of 23 acres in a single irrigation season between the two water rights. Claim 67-14877 is a late claim which was filed with the Court on or about June 22, 2007. It is anticipated that the Department will file its spring late claim report this Friday. Claim 67-14877 is recommended in the late claim report. Due to the combined use language relating to these claims, the Department requests that these two cases are tracked together.

Sincerely,

Donald V. Shaff
Adjudication Bureau Chief
