ALVIN HALL, being first duly sworn upon his oath, deposes and says that:

1. I make this affidavit based upon my own personal knowledge and belief of the facts contained herein.
2. The purpose of this affidavit is to provide a factual basis to support the Standard Form 4 Motion to File Amended Notice of Claim that my wife Linnea and I have previously filed herein.
3. My wife Linnea and I own the property listed as the place of use in the Amended Notice of Claim on file herein. I have lived on the property for approximately 42 years, and my family has

owned this property since 1879. I have irrigated or supervised the irrigation of the property during the entire period of time of my residence and helped my family irrigate it before I lived on it.

4. Our original claim to this water right did not include the additional eight acres we now seek because we did not understand the claim form.

5. It was only after we went through an analysis of our claims with IDWR agent Carter Fritschle in approximately November of 2007 after the initial hearing held herein that we understood we had not claimed the additional eight acres of irrigated land we now seek.

6. We submitted a Standard Form 4 Motion to File Amended Notice of Claim on February 19, 2008. We did not understand that we needed to attach a signed amended claim to the Standard Form 4 until we retained and spoke with our attorney on February 22, 2008. We have subsequently submitted a claim form.

Further your affiant sayeth naught.
