In Re SRBA

Case No. 39576

NOTICE OF HEARING ON STATUS OF  
LICENSURE PROCEEDINGS

For Water Right claim: 47-07566

The above-captioned water right claim is based on a permit prior to the issuance of the license. The recommendation in the *Director's Report and Special Master's Recommendation* included the following condition:

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which the right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

In order to avoid any potential inconsistencies between the partial decree and a subsequently issued license, the practice of the Court has been to temporarily withhold the issuance of the partial decree until after the license is issued.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **Tuesday, April 15, 2008 at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication District Court, 253 3<sup>rd</sup> Avenue North, Twin Falls, Idaho for purposes of determining an estimated time on the issuance of the license. Telephone participation will be available by calling **1-918-583-3445** and entering **406128** when prompted.

DATED: March 21, 2008

JOHN M. MELANSON  
Presiding Judge
