

(collectively, the “Objectors”) in the SRBA. I have access to files pertinent to this matter, and I make this affidavit based on personal knowledge. This affidavit supports the Company’s Motion to Designate Basin-Wide Issue, filed contemporaneously herewith.

2. Attached hereto as Exhibit A is a true and correct copy of the Amended Notice of Claim to water right 37-415 filed by the Company in the SRBA.

3. Attached hereto as Exhibit B is a true and correct copy of the Notice of Claim to water right 37-416 filed by the Company in the SRBA.

4. Attached hereto as Exhibit C is a true and correct copy of the Idaho Department of Water Resources’ Director’s Report recommendation of water right 37-415 in the SRBA. This recommendation includes purposes of use of “aesthetic” and “wildlife.”

5. Attached hereto as Exhibit D is a true and correct copy of the Idaho Department of Water Resources’ Director’s Report recommendation of water right 37-416 in the SRBA. This recommendation includes purposes of use of “aesthetic” and “wildlife.”

6. Attached hereto as Exhibit E is a true and correct copy of an Objection to water right 37-415 filed in the SRBA by the Objectors.

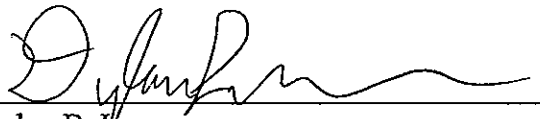

7. Attached hereto as Exhibit F is a true and correct copy of an Objection to water right 37-416 filed in the SRBA by the Objectors.

8. Each of these Objections assert that the water right should not exist and contain the following language on page 3:

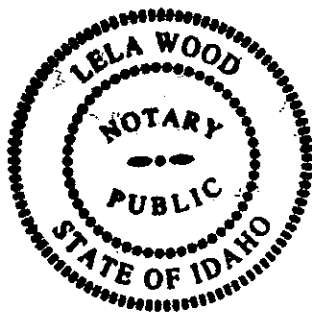

Under Idaho Code 42-1501, aesthetic, wildlife and recreation are not beneficial uses authorized by the Idaho legislature or Constitution to be held in the name of private entities. If such uses are allowed, the right cannot carry a priority date earlier than the first date that the legislature authorized that beneficial use to be held by a private party.

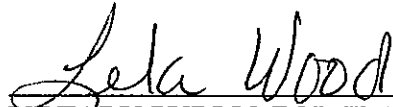

9. Based upon my review of the objection materials in our files, it appears to me that the Objectors have jointly filed more than 200 Objections to water rights in Basin 37 that are still pending. It also appears to me that more than 60 of those Objections assert that aesthetic, wildlife, and recreation are not beneficial uses authorized to be held by private parties.

Further your affiant sayeth naught.
