OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which this right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Permit

The right holder shall either install a measuring device or provide a certified measurement by a professional engineer or install an access port or other device as specified by the Department.

The issuance of this right does not grant any right-of-way or easement across the land of another.
