Sally,

I was just doing a Special Master's Report based upon a Standard Form 5 for water right 63-2350A (Doan) and noticed that the address the Court has is different from the one that IDWR has. We changed the mailing address pursuant to a letter from the Doans dated October 31, 2007. Their new address is 6595 McElroy Road, Melba, ID 83641.
