EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

The right holder shall accomplish the change authorized by transfer 73146 by October 31, 2008.

Right 74-139 is also diverted through the point(s) of diversion described above.

Failure of the right holder to comply with the conditions of transfer 73146 is cause for the Director to rescind approval of the transfer.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of approved transfer 73146, this water right is within State Water District No. 74W.
