RE: Subcase No. 01-10022 (Kite-Nord Canal Co.)

Dear Special Master Dolan:

I am enclosing a fully executed SF5 for filing with the SRBA Court. This water right was originally recommended with a digital boundary place of use. Because the objection in this subcase related to the quantity element of this water right, however, no additional maps or compact discs are being provided along with this SF5. In other words, resolution of this contested element did not change the original digital boundary.

If you should have any questions or comments, please feel free to contact me at 287-4810.

Sincerely,

A handwritten signature in black ink, reading "Andrea L. Courtney".

Andrea L. Courtney
Deputy Attorney General, IDWR
