Re: Subcase No. 67-14480

Dear Ms. Gettle:

Per your discussion with Craig Saxton at the Department of Water Resources please find enclosed original document entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase nos. for Basin 67.

Please review the new recommendation which is attached to the original SF 5 document. If all the information is correct, please sign and date the first page of the original and **initial the page** entitled "Recommendation of Water Rights Acquired Under State Law." After you have signed and initialed the original, please return it to our office. Our office will gather the remaining signatures and make sure the document is subsequently filed with the Court.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Renea Ridgeway". The signature is fluid and cursive, with the first name "Renea" and last name "Ridgeway" clearly distinguishable.
