Re: Motion for Late Objection/Motion to Set Aside Special Master Report and Recommendation

Dear Clerk:

On April 4, 2007, Special Master Dolan issued a report and recommendation disallowing water right 74-15537, which was claimed by me and recommended disallowed by the Department because it was not recommended in the Lemhi adjudication. The reason that I did not timely file an objection to the Department's recommendation is because I've been ill and have heart problems requiring the care of a doctor. For these reasons, I request that the Court either grant my motion for late objection or set aside Special Master Dolan's report and recommendation so that I may pursue my claim in the SRBA.

Sincerely,

Velma Mahaffey
