Re: Subcase No. 67-714

Dear Mr. and Mrs. Woodcock:

Enclosed please find the original document entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase no. for Basin 67.

Please review the new recommendation which is attached to the original SF 5 document. If all the information is correct, please sign and date the first page of the original and **initial the page** entitled "Recommendation of Water Rights Acquired Under State Law." Also, per your telephone discussion with Mr. Larry Brown please include a copy of Mr. Simpson's death certificate. After you have signed and initialed the original, please return the documents to our office in the self addressed stamped envelope provided for your convenience. Our office will gather the remaining signatures and make sure the document is subsequently filed with the Court. You will receive a copy of the fully executed document once all the signatures are in place.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Renea Ridgeway".
