RE: Subcase Nos. 01-4014 & 01-10242 (Wadsworth)

Dear Special Master Dolan:

I am enclosing a *Notice of Completed Administrative Proceeding* ("NCAP") for each of the above-referenced water rights. Attached to the NCAPs are Amended Director's Reports that reflect the three-way splitting of these water rights as discussed during the past status conferences. Water right number 01-4014 has been split into right numbers 01-10558, 01-10559 and 01-10660, and water right number 01-10242 has been split into right numbers 01-10561, 01-10562 and 01-10563. The Amended Director's Reports for the two split rights recommended to Futures of Idaho have been modified from the original recommendations to delete the acreage belonging to the Bureau of Land Management ("BLM") to resolve the BLM's objection to the place of use element of the water rights.

If you should have any questions or comments, please feel free to contact me at 287-4810.

Sincerely,

A handwritten signature in black ink that reads "Andrea L. Courtney".
