Clerk of District Court
Snake River Basin Adjudication
P. O. Box 2707
Twin Falls, Idaho 83303-2707

I live in Salmon, Idaho, and have three water rights: 74-443, 74-444, and 74-445. Water right 74-445 has an incorrect place of use and an incorrect point of diversion from the Lemhi River.

The Idaho Department of Water Resources Office in Boise, Idaho, suggested I contact your office to correct this situation.

The place of use for water right 74-445 should be the same as water right 74-443 which is Tax Parcel Number (PIN) RPA00000800120. The point of diversion for water right 74-445 should be the Town Ditch, which is NE1/4, SW1/2, S.30, T. 21 N., R. 23E.

Would you please make these corrections. You may contact my daughter, Linda Matthews, in Boise at (208) 331-1104 if you have any questions.

Sincerely,

M. Mae Miller
