Re: Notice of Claim to a Water Right No. 63-2144A, 63-4005C, 63-4005E & 63-4746

Dear Claimant:

Enclosed is a copy of the above referenced claim, which reflects the necessary name change for the land and appurtenant water rights covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process this claim for final court decree.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".

Comments:

1. sboc 8/24/2001 exam

Comment: Becasue this right was licensed in 1980 and the claim was filed in 1989, and we are using 1987 photos, there is no reason to suspect non-use.

2. sboc 8/24/2001 claim

Comment: This claim matches the decree other than one of the pods. If the pod in sec 11 is in place they will need to show it was in before 1987 as an accomplished transfer

Memo to Files : 63-2114 A/B, 63-4005-A-N

From: Sue Bock

Date: 8/23/01

These rights were affirmed and decreed June 22, 1981 by Judge Rowett, see 63-V. Because the fieldwork was done in 1980 and the 1987 photography is what the SRBA is basing use on, no field exam is needed unless it does not appear irrigated in the 1987 photos. It looks like there is more irrigation on the 1987 photo than what was decreed. I will try to find original file with fieldwork notes to determine if some of the acres were irrigated at the time, but left off. If this were the case the claimants could file a b.u. claim if prior to 1971 for the acres. If developed after the 1980 field exam, but prior to 1987, an expansion claim would be needed.

Each file should have an acres review analysis sheet. For the most part all the acres lined up as decreed. The exceptions are as follows:

Sec 10

NESE – govt lot 8 was filed on by Miller and Carpenter (purchased from Stone). According to the warranty deed the West ½ of lot 8 went to Stone. Miller's deed did not mention lot 8. From 63-4005B the 7 decreed acres are in the West ½. From 63-4005A it looks like most of the 13 acres are in the West ½

NWSE – govt lot 7 was filed on by Miller and Stone. According to warranty deed, Miller got the W ½ and Stone the E ½. 63-4005A – 13 acres goes to Stone and 63-4005B – 14 acres goes to Miller.

SWSE filed on by Miller, Delaney, and Stone. Miller got the W1/2 and Stone the E ½, no information to support Delaney's claim to 27 acres, nor 25 acres in the SESE.

Sec 11

It appears that Miller filed in error for 2 acres in the NWNW, this should have been the NWSW.

Sec 21

Mickelson Farms filed on 11 acres in the SENW, nothing was decreed in this area.

Determination of where irrigated acres fell within the ¼ ¼ was based on blue line map attached to the decree.
