MEMORANDUM

DATE: 11-Feb-1992 13:19

TO: FILE A63-02936

FROM: KAY WALKER *kw*

RE: STATUS

While reviewing non-data entered claim in the name of Stephen or Ruth Marshall, I found that they had not submitted enough fee for their claim. I searched our adjudication records to see if there was an overlapping right which the fee may have been submitted under. I found that Pioneer Irrigation District had paid the fee for this 40-acre tract and no further fee was needed from the Marshalls. I also checked the water right records for a previous filing and found License 63-02936 which covered the use from this well but did not cover the amount of water claimed under the B/U claim. (See Claim A63-26224).

In talking to Jan we decided that the easiest way to process this claim was to pull over A63-02936 which is entered with a status of "Z - see remarks" and in remarks "See No. A63-26224". I data entered Marshall's claim and will flag the file so the examiner will take precautions in recommending that filing.
