RE: Snake River Basin Adjudication
Notice of Claim for Dorothy Crisman

3-18-91
filed 5-8-89
for C006641
Danni Smith

Dear Ms. Brewer:

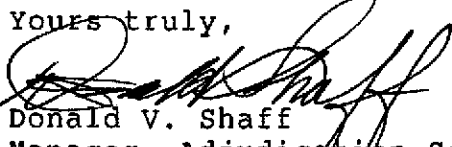

Enclosed please find three (3) computer generated Notice of Claim to a Water Right in the name of Dorothy Crisman. All are for water rights in Boise County which should be filed by May 19 to avoid late fees.

Two of the claims are based upon Licenses, A63-07275 and A63-07134, both require completion of items #5, #9 and #13, please refer to enclosed instructions for filing a Notice of Claim. Write the information directly on the forms provided. I have also included several photocopies of an orthophoto of the area on which the place of use needs to be outlined and the point of diversion indicated for each claim. Please attach the corresponding map to each claim. Both Claims cover 2 acres of irrigation and would therefore each require \$52.00 filing fees. However if the 2 acres indicated on each claim are the same 2 acres then only one claim would require \$52.00 filing fee and the second would have the flat \$50.00 fee.

The third claim, A63-00322, has the same missing information as the above mentioned claims, but also the number of acres being irrigated is not indicated. The fees for this claim will be \$50.00 plus \$1.00 per acre irrigated, unless there is overlap with one of the previously mentioned claims.

Keep a copy of each claim for your records and please do not hesitate to contact this office if you have any questions or concerns.

Yours truly,

Donald V. Shaff
Manager, Adjudication Section

Notes to Split of 63-320

- 1) 63-321 & 63-322 are splits of 63-320 within the decree. Therefore, the diversion rate for 63-320 is .64 cfs (34").
- 2) The decree does not specify a duty of water.
- * 3) A63-320B claims the total diversion rate of .68 cfs (34") for 5 acres.
- 4) The number of acres actually irrigated is ambiguous in the decree.
