Dear Mrs. Riley;

I am writing in regard to the Notices of Claim to a Water Right for the Vanal Heights Water Users. Claim numbers A63-05280 and A63-04883.

Claim A63-05280 is the claim that has not been split. It is for six units that must have been added after the initial water right of 1960. If you choose to file on this, the fee will be \$50.00 plus a variable rate of \$24.00 based on \$100.00 per cubic foot per second (cfs).

Claim A63-04883 is the claim that has been split. I have indicated under item six the type of usage and amount of water which would amount to 1/16th. This is on the blank copy. The water rights proof of the way this was before the split is attached behind this copy. The fee for filing as an individual would be \$25.00.

As I mentioned earlier it would be easier if everyone were to file this claim as one unit. If you would like me to talk to whoever is spokesperson I would be glad to do so. This way I can explain the pros and cons of filing both ways. Just let me know.

If you have any questions, feel free to contact me.

Sincerely,

Linda A. Werner
