NOTICE OF FILING DIRECTOR'S REPORT

DIRECTOR'S REPORT

This Director's Report Part II is a report by the Director of the Idaho Department of Water Resources (IDWR). It contains abstracts of claims by the United States and Indian Tribes to "non-consumptive" water rights (such as instream flows) throughout the Snake River Basin. The abstracts summarize the claims without substantively changing the water right as claimed. The Supplemental Director's Report Part II includes abstracts of claims not included in the Director's Report Part II. The supplemental report also includes abstracts of amended claims, which contain changes to claims previously abstracted in the Director's Report Part II.

The Director's Report Part III contains the claims filed for these water rights, and includes both the claim documents and maps. The Supplemental Director's Report Part III includes claims not included in the Director's Report Part III, as well as amended claims which contain changes to claims included in the Director's Report Part III.

Complete copies of Part II of the reports are available for inspections at all offices of IDWR and at the other locations printed on this notice. Complete copies of Part III of the reports are available for inspection at the State Office of IDWR and the SRBA District Court. Copies of all or a portion of the reports are available from the IDWR State Office subject to payments of costs of mailing and/or copying.

OBJECTIONS TO DIRECTOR'S REPORT

You may file an objection to any portion of the Director's Reports with the SRBA District Court. You must use a court approved objection form that is available from IDWR, which contains instructions for filing the objection. All objections must be received by the court on or before October 16, 1995. You must mail a copy of your objection to IDWR and the United States as shown on the objection form. If you are objecting to an abstract of a claim filed by an Indian tribe, you must also mail a copy of the objection to the tribe at the address shown in the report.

RESPONSES TO OBJECTIONS

The United States and the Indian Tribes may but are not required to file a response to an objection to abstracts of their claims with the SRBA District Court.

PARTIAL DECREE OF UNCONTESTED PORTIONS OF DIRECTOR'S REPORT

Those portions of the Director's Report to which no objections are filed will be decreed by the district court after a hearing to be held at 1:30 p.m., May 21, 1996 at the SRBA Courthouse in Twin Falls.

NOTICE OF FURTHER PROCEEDINGS

You will be mailed a notice of further proceedings on an objection to your water right, your objection, or your response. You will not be mailed notice of other objections or proceedings on other objections.

Notice of other objections and responses to other objections will be included on a monthly docket sheet distributed by the SRBA District Court. A subscription to the docket sheet may be obtained from the court for a small annual fee (\$7.50 for the calendar year 1995).

IDWR has filed or will file Director's Reports for all other claims within the Snake River Basin, one for each of the reporting areas in the Snake River Basin. Notice of the filing of these reports, and of further proceedings on these reports, will also be included in the docket sheet.

You may be affected by orders and decrees entered by the court in proceedings on other objections and proceeding on other reports. It is very important that you subscribe to the docket sheet if you wish to stay informed of these other proceedings.

For further information as to documents filed with the court and hearings scheduled before the court in the SRBA, you must inquire at the SRBA District Court.

FURTHER INFORMATION

The court has adopted procedures for the post-report phase of the SRBA, which are set forth in the order of the court entitled "SRBA Administrative Order No. 1." A copy of this order can be obtained from the State Office of IDWR or the SRBA District Court.

If you have questions about the SRBA, please call any office of IDWR listed in this notice. If you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.

Dear Claimant(s):

Enclosed is a copy of the **DENIED** Extension of Time request form previously submitted in connection with the above referenced Notice of Claim(s).

At the time you filed the Notice of Claim(s) the required filing fee was paid. However, because the claim(s) was postmarked and/or received at a Department of Water Resources office after the filing deadline for the county in which the water right lies, a late fee was required. The late fee is either a \$50 flat fee or 15% of the original filing fee, whichever is greater, for each claim. Your extension request was filed to try and avoid having to pay this late fee, which now must be paid due to the denial of this request. The late fee due for this claim(s) is \$ 50.

Please submit this late fee within 30 days from the date of this letter in order to insure your claim(s) is recommended to the court for decree in the Snake River Basin Adjudication. If this late fee is not received within the 30-day time period, your claim(s) will be rejected and returned to you and a refund of your original filing fee will be requested. Feel free to contact this office with any questions you may have.

RE: Adding an Address to Snake River Basin Adjudication (SRBA) claim 63-07263

Dear Frances,

During our phone conversation on January 15, 2001 you informed me that you would like any mailings made concerning your SRBA claim 63-07263 sent to the following address:

Frances Cook
PO Box 236
Niland CA 92257-0236

You also mentioned during our conversation that you wanted to keep your Idaho address on the claim:

Frances Cook
411 Caldwell Blvd
Nampa Id 83651

Since the SRBA court will be doing a lot of the mailings at the time the directors report is issued, any address that should receive a copy of the mailing needs to be listed on the claim.

If mail sent to the Nampa address is automatically forwarded to your California address, there is probably no need to take any action. If this is not the case, then you will probably want to add your California address to the claim as a second address. Thus your claim would list both the Nampa and the California address, and both address would receive copies of any mailing sent by IDWR or the SRBA court.

Enclosed is a copy of our Notice in Change of Address form. If you wish to add the California address to your claim, you need to complete this form, sign it, and return it to this office with a note indicating that you wish to "ADD" an address rather than change your current one.

I apologize for the inconvenience. Please feel free to contact me if you have any questions at (208) 334-2190.

Respectfully submitted,
