Hi Jan,

Enclosed are copies of the mining claim forms we filed over on Little Smokey. We filed 2 large claims rather than the 9 small ones Joe Equia had so we would have fewer claims to pay assessment fees on.

We would like to assume the water claim #63-04910 on these claims.

Please advise what else is required in order to do this.

Also please advise how the Snake River Adjudication proceedings will affect the claim.

Thank you.
