HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

TOGETHER WITH the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given
 to and conferred upon Beneficiary to collect and apply such rents, issues and profits,

For the Purpose of Securing payment of the indebtedness evidenced by a promissory note, of FEE date herewith, executed by
 Grantor in the sum of ONE HUNDRED THOUSAND & 00/100-----, Dollars, \$100,000.00,
 final payment due FEBRUARY 1, 2004

and to secure payment of all such further sums as may hereafter be loaned or advanced by the Beneficiary herein to the Grantor
 herein, or any or either of them, while record owner of present interest, for any purpose, and of any notes, drafts or other instru-
 ments representing such further loans, advances or expenditures together with interest on all such sums at the rate therein
 provided. Provided, however, that the making of such further loans, advances or expenditures shall be optional with the Bene-
 ficiary, and provided, further, that it is the express intention of the parties to this Deed of Trust that it shall stand as continuing
 security until paid for all such advances together with interest thereon.

A. To protect the security of this Deed of Trust, Grantor agrees:

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore
 promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay
 when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requir-
 ing any alterations or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit
 any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the
 character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2. To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The
 amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and
 in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be
 released to Grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate
 any act done pursuant to such notice.

3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Bene-
 ficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in
 any such action or proceeding in which Beneficiary or Trustee may appear.

4. To pay, at least ten days before delinquency, all taxes and assessments affecting said property, when due, all encumbrances,
 charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees
 and expenses of this Trust. In addition to the payments due in accordance with the terms of the note hereby secured the Grantor
 shall, at the option, and on demand of the Beneficiary, pay each month 1/12 of the estimated annual taxes, assessments, insurance
 premiums, maintenance and other charges upon the property, nevertheless in trust for Grantor's use and benefit and for the pay-
 ment by Beneficiary of any such items when due. Grantor's failure so to pay shall constitute a default under this trust.

5. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof,
 with interest from date of expenditure at eight per cent per annum.

6. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without
 obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may:
 make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary
 or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding pur-
 porting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any
 encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such
 powers, or in enforcing this Deed of Trust by judicial foreclosure, pay necessary expenses, employ counsel and pay his reasonable
 fees.

B. It is mutually agreed that:

1. Any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof
 is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner
 and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require
 prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and
 presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of
 the indebtedness secured hereby, Trustee may: reconvey all or any part of said property; consent to the making of any map or
 plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien
 or charge hereof.

4. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed
 and said note to Trustee for cancellation and, upon payment of its fees, Trustee shall reconvey, without warranty,
 the property then held hereunder. The recitals in any reconveyance executed under this deed of trust of any matters or facts
 shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons
 legally entitled thereto."

5. As additional security, Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the
 continuance of these trusts, to collect the rents, issues and profits of said property, reserving unto Grantor the right, prior to any
 default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and
 retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without
 notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security
 for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for
 or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses
 of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby; and in such order as Bene-
 ficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and
 the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done
 pursuant to such notice.

6. Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of his election to cause to be sold the herein described property to satisfy the obligations hereof, and shall cause such notice to be recorded in the office of the recorder of each county wherein said real property or some part thereof is situated.

Notice of sale having been given as then required by law, and not less than the time then required by law having elapsed, Trustee, without demand on Grantor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee shall deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Grantor, Trustee, or Beneficiary, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title and reasonable counsel fees in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at eight per cent per annum; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

8. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor, Beneficiary or Trustee shall be a party unless brought by Trustee.

9. In the event of dissolution or resignation of the Trustee, the Beneficiary may substitute a trustee or trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office of the Recorder of the county in which the property herein described is situated, it shall be conclusive evidence of the appointment of such trustee or trustees, and such new trustee or trustees shall succeed to all of the powers and duties of the trustee or trustees named herein.

Request is hereby made that a copy of any Notice of Default and a copy of any Notice of Sale hereunder be mailed to the Grantor at his address hereinbefore set forth.
