HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights, and, if a required claim for the water right has not been filed, to file the needed claim.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures, or if you have questions about completing this form, please contact your nearest IDWR office or call 1-800-451-4129.

If you need additional space to describe or explain any of the items on the form, please attach additional sheets to the form as you may require.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believe there are water rights for the property but the numbers are unknown, you may wish to call IDWR or come into an office of IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or" or "and/or". If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign, however only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. If the property you have purchased is only a portion of the property owned by the former owner/seller, you may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

RE: Snake River Basin Adjudication (SNRA)
Claim to a Water Right No. A63-22333

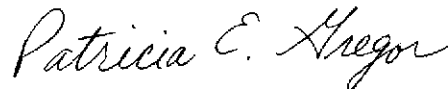

Dear Ms. Egbert:

Last night I was helping my husband clean out his old desk and we came across the letter you sent us in May of last year. We were appalled to realize it had been mislaid and had gone unanswered for so long.

I am hastening to send you the completed Form 42-248/42-1409 and the other documents you requested. Please advise me if there is any further information you require. You can contact me by mail or at the above phone number.

I am deeply embarrassed by our carelessness, and I regret any inconvenience this may have caused you or your organization.

Yours truly,

Patricia E. Gregor

RE: Domestic and/or Stockwater Rights in Reporting Area 13, Basin 63
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 63 (the drainage area of the Boise River). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in basin 63 will be recommended in a later process.

Note that you have 180 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Boise, Caldwell, Payette, Emmett, Idaho City, Fairfield, or Mountain Home, and all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed as recommended after the 180-day objection period next year. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

Dear Gay:

As much as I might want to grant your recent request, I am unable to do so because of provisions of the Idaho Code. Section 42-1408A(1)(j) provides as follows:

(j) Section 42-1414, Idaho Code, requires each claimant, other than those exempted by federal law, to pay a variable fee with a notice of claim; failure to pay the fee will result in rejection of the notice of claim; failure to file a timely notice of claim will result in the assessment of a late fee in the amount of fifty dollars (\$50.00) or fifteen per cent (15%) of the original filing fee, whichever is greater.

Section 42-1409(8) provides:

(8) If a claimant files a notice of claim after the date set by the director in the notice mailed or served in accordance with subsections (2), (3), or (4) of section 42-1408A, Idaho Code, or with subsection (9) of this section; the claimant shall pay the fee set forth in section 42-1414, Idaho Code, and in addition, the amount of fifty dollars (\$50.00) or fifteen per cent (15%) of the original filing fee, whichever is greater. The district court or the director may waive the late processing fee or a portion thereof for good cause.

Retracing the events, I find that you were in our state office on Orchard and filed the claim on August 31, 1989. You were also in both Boise offices on August 29, the date specified in the commencement notice for the filing of claims, seeking assistance in claim preparation. As you can understand, many claimants, unfortunately, wait till the last minute to file their claims and we find it impossible to assist them all on the last day of a deadline. Our employees advise the public that we have no one available to assist and provide the claim forms so a person may fill them out and file without our involvement if they desire. But our staff is so conscious of the deadlines and the statutorily imposed late fee that they will not assure anyone that it would be all right to file after the deadline. Since many filing periods overlapped, it is possible that your deadline was misunderstood which resulted in any incorrect information.

With regard to the commencement notices (two were sent to your address on May 05, 1989) I know that the mailing was effective. I personally was sent a notice to my 09 Zip Code in the same mailing, and it was received and is framed and hanging on the wall of my office. It specifies an August 29 filing deadline. So I know the notices were sent, and since your name appears (twice) on the same mailing list as mine, I have to assume you did receive a notice. It was probably discarded with the junk mail.

You requested an extension for filing to August 30, but if granted would not have covered the claim which was filed on August 31. I am sorry that neighborhood relationships and personal feelings do not provide the "good cause" which the statutes specify as the basis for waiving the late fee.

Sincerely,

R. KEITH HIGGINSON

RE: Snake River Basin Adjudication (SRBA)
Ada County - Denied Claim

Dear Mr. Call,

In response to your letter of July 23, 1990, I stand proudly behind my employees in the way they conducted themselves during the hectic days around the Ada County filing deadlines and the actions they have taken on my behalf since that time.

I apologize for the mistaken return of Longs' claim with the July 18, 1990, letter to you, and the absence of your own claim, which is enclosed with this letter. The error was in the enclosure alone. The content of the previous letter was applicable to you.

Retracing the events, I find you were in our office on Orchard to file the claim August 31, 1989. I will acknowledge you were in both offices in Boise on the deadline of August 29, 1989, seeking assistance to file your claim. The former date was two days after the deadline shown on two separate Commencement Notices mailed in May 1989 to the address shown on your claim. Your Request for Extension of Time, also received August 31, 1989, requesting an extension to August 30, 1989, stated only you "did not receive a commencement notice."

The staff assisting the public during the period of taking claims was instructed to provide claim forms at a minimum if the staff for taking claims was fully occupied assisting claimants with appointments or who had arrived earlier.

I am surprised by your comment about being told it would be okay to come back the day after the deadline, since staff recognized that filing deadlines could not and would not be ignored.

My staff has contacted the Post Office staff to determine if there is any reason your commencement notices might not have been delivered. The Post Office staff can provide no explanation for the non-delivery of your commencement notices.

Your claim will be accepted at this office provided you submit fees totaling \$75.00 within two years. Shortly, if not already, you will receive a check from the State Auditor's office for the previous fee you paid. The \$75.00 would be repaying the \$25 plus the \$50.00 late fee.

Department of Water Resources

Dear Keith:

Enclosed are copies of correspondence I just received, which I believe will be self-explanatory to you.

Keith, I have received very bad treatment from your department on this matter, and I asked you to step in personally and rectify it.

When this matter originally started, I made an attempt to file on time by going to your office near the airport. At that time I was told I would have to go to the office on Orchard, and by the time I got there they would not except any more people that day. I explained to them that it was the final day for filing, but they assured me that if I came back the next day and explained the situation, I would not be charged the late fee. I did come back the next day and sat through the explanation of how to fill out the forms, paid my fee, filed the forms, and figured everything was ok.

Later, I received a notice that I would have to pay the \$50.00 late fee, and I appealed that because of what I had previously been told. Now, they come back and tell me that they have rejected my appeal and I have to pay the \$50.00 late fee. I have already been informed that the courts and the legislature do not look favorably upon the tactics of the Department of Water Resources in this regard.

Keith, the public expects fairer treatment from it's public servants than what I have received in this matter. I appeal to your sense of fairness in honoring the statements of your employees. Therefore, please register my claim to a water right, without the additional \$50.00 fee. I await your reply, and thank you for your personal involvement in this matter.

Sincerely,

Albert G. Call III
