HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

If a water right or adjudication claim is being split and you are not sure how to identify your portion of the original right or claim, please contact the nearest IDWR office for assistance.

7. Signature of New Owner or Claimant(s)

Don Woods

Corporations or other organizations must submit a list of directors and/or officers demonstrating authority to sign this form.

8. For Snake River Basin Adjudication Claims: Please attach a Notice of Appearance completed by your attorney, if you wish IDWR to correspond with him or her for all matters related to your claims.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

COLLECTION OF TAXES

NOTE: A 2% LATE CHARGE IS CHARGED ON LATE PAYMENTS MADE BETWEEN DECEMBER 21 AND DECEMBER 31. BEGINNING JANUARY 1, INTEREST IS CALCULATED AT THE RATE OF 1% PER MONTH ON THE DELINQUENT TAX AND LATE CHARGE.

Effect of failure to give notice.

The fact you do not receive a tax notice on any property does not excuse you from the taxes or late charge and interest for non-payment. See IDAHO CODE 63-902(9).

Filing of material by mail - Date effective.

Post office cancellation is considered the filing date. A postage meter is not an acceptable post office cancellation mark. See IDAHO CODE 63-217.

ANY PORTION OF A PROPERTY TAX MAY BE PAID AT ANY TIME, HOWEVER, TO AVOID DELINQUENCY, TOTAL PAYMENT MUST BE MADE IN FULL BY THE DUE DATE. PARTIAL PAYMENT OF ANY TAX WILL NOT INVALIDATE ANY COLLECTION PROCESS AS DEFINED BY IDAHO CODE.

Payment of a tax delinquency.

When a tax becomes delinquent, payments are posted to the roll and applied to costs, interest, late charge and delinquent tax in the proportion each bears to the total amount due. See IDAHO CODE 63-1002.

REAL PROPERTY

All property taxes extended on the property roll shall be payable in full on or before December 20. The taxes may be paid in full or paid in two (2) halves, the first half on or before December 20 with a grace period extending to June 20 for the second half if the first half is totally paid. If the first half is not totally paid on or before December 20, that half becomes delinquent and a 2% late charge shall be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half is paid in part, late charge and interest is calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge shall be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half tax is paid in part, late charge and interest is calculated on the remaining tax.

All taxes extended on subsequent or missed property rolls are payable within thirty (30) days of the billing date and become delinquent if unpaid thirty (30) days after the bills are mailed. See IDAHO CODE 63-903.

PERSONAL PROPERTY or MANUFACTURED HOUSING

The county tax collector may issue a demand for payment on any personal or manufactured housing tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date. If no demand is made, the taxes may be paid in two equal halves. The first half is due and payable on or before December 20, and second half is due and payable on or before June 20 the following year. If the first half is not totally paid

on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% late charge shall be added to the delinquent half. Interest is calculated at the rate of 1% per month from January 1 of the following year on the delinquent half and late charge. If the first half is paid in part, late charge and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge shall be added. Interest on the delinquent tax and late charge is calculated at the rate of 1% per month beginning January 1 of that year. If the second half is paid in part, late charge and interest shall be calculated on the remaining tax.

Before the tax becomes delinquent, the board of county commissioners may grant up to a four month extension to pay the tax, late charge and interest. A warrant of distraint shall not be issued until expiration of the extended time. **There are no extensions given on the second half.**

When **any part** of a personal property or manufactured housing tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection. See IDAHO CODE 63-201(13), 63-303, 63-904, and 63-1013

TRANSIENT PERSONAL PROPERTY

Taxes on transient personal property shall be due on demand or December 20 if no other demand date is given. If the tax is not paid on or before December 20, or the demand date, the tax becomes delinquent, and a late charge of two percent (2%) shall be added. Interest is calculated at the rate of 1% per month from January 1 of the following year.

When **any part** of a transient personal property tax becomes delinquent, a **warrant of distraint shall be issued** to the county sheriff for its collection. **There shall be no extensions on transient personal property.** See IDAHO CODE 63-201(24), 63-313, and 63-904(5).

OCCUPANCY TAX

Occupancy tax is due and payable according to the same schedule as manufactured housing, personal or real property, whichever is applicable. When any part of the tax becomes delinquent, the tax is to be collected in the same manner as tax is collected for manufactured homes, personal or real property, whichever is applicable. See IDAHO CODE 63-317, 63-903, and 63-904.

The total amount shown on this statement may not be deductible for Internal Revenue Service (IRS) purposes. Please check with an accountant.

RE: Notice of Change of Water Right Ownership Claim No. 63-23504

Dear Property Owner(s):

This office has reviewed the Notice of Change of Water Right Ownership you have submitted (enclosed), however, we are unable to complete this ownership change due to the fact there is no record of the property being transferred from the original owners, De Los A and Gean Hurd, to yourselves. The Warranty Deed submitted indicates the property being transferred from Children's Adoption Services to yourselves.

If you could submit a copy of the Warranty Deed(s) for this property transfer, showing the **chain of title** from the original owner to yourself, or a tax notice in your name, which includes a description of the property by ¼ ¼, Section, Township and Range, then we could complete the ownership change.

Thank you for your cooperation. Please feel free to contact this office if you have any questions concerning this letter.

Sincerely,

Denise Buffington

Dear Claimants,

IDWR has been notified the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claim(s) can be sent only to the address on your claim(s) or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

If the address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. Thank you for your help. We hope to assure that you receive future notices about SRBA matters.

If the ownership of the property to which the water right(s) referenced above apply has changed, please call this office toll-free at 1-800/451-4129 to obtain a form to make this required change to the claim record.

Sincerely,

Adjudication Bureau Staff

NOTICE OF FILING DIRECTOR'S REPORT

DIRECTOR'S REPORT

This Director's Report Part II is a report by the Director of the Idaho Department of Water Resources (IDWR). It contains abstracts of claims by the United States and Indian Tribes to "non-consumptive" water rights (such as instream flows) throughout the Snake River Basin. The abstracts summarize the claims without substantively changing the water right as claimed. The Supplemental Director's Report Part II includes abstracts of claims not included in the Director's Report Part II. The supplemental report also includes abstracts of amended claims, which contain changes to claims previously abstracted in the Director's Report Part II.

The Director's Report Part III contains the claims filed for these water rights, and includes both the claim documents and maps. The Supplemental Director's Report Part III includes claims not included in the Director's Report Part III, as well as amended claims which contain changes to claims included in the Director's Report Part III.

Complete copies of Part II of the reports are available for inspections at all offices of IDWR and at the other locations printed on this notice. Complete copies of Part III of the reports are available for inspection at the State Office of IDWR and the SRBA District Court. Copies of all or a portion of the reports are available from the IDWR State Office subject to payments of costs of mailing and/or copying.

OBJECTIONS TO DIRECTOR'S REPORT

You may file an objection to any portion of the Director's Reports with the SRBA District Court. You must use a court approved objection form that is available from IDWR, which contains instructions for filing the objection. All objections must be received by the court on or before October 16, 1995. You must mail a copy of your objection to IDWR and the United States as shown on the objection form. If you are objecting to an abstract of a claim filed by an Indian tribe, you must also mail a copy of the objection to the tribe at the address shown in the report.

RESPONSES TO OBJECTIONS

The United States and the Indian Tribes may but are not required to file a response to an objection to abstracts of their claims with the SRBA District Court.

PARTIAL DECREE OF UNCONTESTED PORTIONS OF DIRECTOR'S REPORT

Those portions of the Director's Report to which no objections are filed will be decreed by the district court after a hearing to be held at 1:30 p.m., May 21, 1996 at the SRBA Courthouse in Twin Falls.

NOTICE OF FURTHER PROCEEDINGS

You will be mailed a notice of further proceedings on an objection to **your water right, your objection, or your response**. You will not be mailed notice of other objections or proceedings on other objections.

Notice of other objections and responses to other objections will be included on a monthly docket sheet distributed by the SRBA District Court. A subscription to the docket sheet may be obtained from the court for a small annual fee (\$7.50 for the calendar year 1995).

IDWR has filed or will file Director's Reports for all other claims within the Snake River Basin, one for each of the reporting areas in the Snake River Basin. Notice of the filing of these reports, and of further proceedings on these reports, will also be included in the docket sheet.

You may be affected by orders and decrees entered by the court in proceedings on other objections and proceeding on other reports. **It is very important that you subscribe to the docket sheet** if you wish to stay informed of these other proceedings. For further information as to documents filed with the court and hearings scheduled before the court in the SRBA, you must inquire at the SRBA District Court.

FURTHER INFORMATION

The court has adopted procedures for the post-report phase of the SRBA, which are set forth in the order of the court entitled "SRBA Administrative Order No. 1." A copy of this order can be obtained from the State Office of IDWR or the SRBA District Court.

If you have questions about the SRBA, please call any office of IDWR listed in this notice. If you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.
