**HOW YOU WILL RECEIVE NOTICES IN THE
SNAKE RIVER BASIN ADJUDICATION**

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

At the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the court which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months.

The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

Re: Snake River Basin Adjudication (SRBA)
Canyon County - Domestic Claim

Dear Mr. and Mrs. Smallwood,

We are again returning your Notice of Claim to a Water Right filed for your property in Canyon County. We are also enclosing Receipt No. C023667 in the amount of \$47.00, for the balance of the filing fees. Please retain the receipt for your records.

A critical item of the water right, the date of priority, was left off your claim in Item #2. This is the date that the water was first placed to beneficial use to the best of your knowledge. We cannot process the claim without this information. If the date of priority is after March 25, 1963, an Application for Permit may be necessary. Please contact this office as soon as possible if the priority date is after March 25, 1963.

Please return the complete document to my attention by May 1, 1992, or late fees will apply. If we do not receive the claim by that date, we will assume you do not wish to continue the filing process and will begin the refund process of your filing fees. Do not hesitate to contact this office if you have any questions.

Re: Snake River Basin Adjudication (SRBA)
Canyon County - Domestic Claim

Dear Mr. and Mrs. Smallwood,

We are returning your Notice of Claim to a Water Right filed for your property in Canyon County. We are also enclosing Receipt No. W011452 in the amount of \$25.00, for the filing fees. Please retain the receipt for your records. We have noted some problems with your claim which require your attention.

A critical item of the water right, the date of priority, was left off your claim in Item #2. This is the date that the water was first placed to beneficial use to the best of your knowledge. If the source of the water is a groundwater source, i.e. a well, the date of priority for any use other than single family domestic use must be before March 25, 1963. If your use does not meet this requirement, an Application for Permit may be necessary.

In addition, the fee you have paid limits this claim to single family domestic and small stockwater use. Your claim indicates domestic use for five families. As a result, the fee for this claim would be \$50.00 plus \$100.00 per cfs or portion thereof; in this case the total would be \$72.00.

Please return these documents to my attention by April 7, 1992, or late fees will apply. If we do not receive the documents by that date, we will assume you do not wish to continue the filing process and will begin the refund process of your filing fees. Please also submit a check for \$47.00, the balance of your filing fees. Do not hesitate to contact this office if you have any questions.

Sincerely,

Roxanne McCarthy
