HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

10. Place of use is: Township: 4 North Range 5 West
Section 26, SE 1/4 of AE 1/4, Govt. Lot _____, B.M.,
for (Circle One) Domestic Stock Domestic and Stock
Additional places of use, if any _____

11. In which county (ies) are lands listed above as place of use located? Canyon

SEP 15 1992

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

RE: Snake River Basin Adjudication (SRBA)
Water Right No. 63-26888

Dear Property Owners:

Thank you for advising the Department of the name and ownership changes for the property with the water right referenced above.

Before we can modify our records to remove Ron Whetzel, we need to have legal documentation doing so, such as the Quitclaim Deed mentioned in your recent letter. In addition, in order to add Dennis Bainbridge to this water right, we will need proof of his ownership, such as a marriage certificate.

Please submit this information to this office at your earliest convenience, and we will be able to make the necessary change.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Denise Buffington

RE: Snake River Basin Adjudication (SRBA)
Canyon County, Notice of Claim Form

Dear Mr. and Mrs. Whetzel:

We are returning your Notice of Claim to a Water Right filed for your property in Canyon County. We have noted a problem with your claim which we would like you to correct.

At Item #16, the notary public's signature and seal is a verification of your signature on the claim form. It is apparent that the date the notary signed the claim form is after the date on which Myrna Whetzel signed the claim form. Mrs. Whetzel, please sign the claim form in the presence of a notary and have the notary properly verify your signature.

Please return the documents to this office to my attention. If you will make these corrections before July 1, 1992, you will not be assessed a late filing fee. Do not hesitate to contact this office if you have any questions or desire an appointment to obtain assistance in completing the form.

Sincerely,

Roxanne McCarthy
Sr. Water Resource Agent
Adjudication Bureau
