HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

REAL PROPERTY TAX INFORMATION

LATE CHARGE AND INTEREST

A 2% LATE CHARGE IS APPLIED TO LATE PAYMENTS MADE BETWEEN DECEMBER 21 AND DECEMBER 31. INTEREST ON THE DELINQUENT TAXES AND LATE CHARGE IS CALCULATED AT THE RATE OF 1% PER MONTH, ACCRUED DAILY, BEGINNING JANUARY 1. MAILED PAYMENTS POSTMARKED ON OR BEFORE THE DUE DATE WILL BE CONSIDERED CURRENT.

IF ANY PORTION OF THE TAXES BECOMES DELINQUENT, YOU WILL BE CHARGED 2% LATE CHARGE AND 1% INTEREST BEGINNING JANUARY 1. PAYMENTS POSTMARKED AFTER THE DUE DATE WILL BE APPLIED AND A DELINQUENT NOTICE WILL BE SENT FOR THE REMAINING AMOUNT DUE, INCLUDING LATE CHARGE AND INTEREST. WHEN YOU ARE READY TO PAY THE BALANCE, CALL 364-2233 FOR THE CURRENT PAYMENT AMOUNT. SEE IDAHO CODE §63-903.

FILING OF MATERIAL BY MAIL- DATE EFFECTIVE

A post office cancellation is considered to be the payment or filing date. A postage meter cancellation is not an acceptable post office cancellation mark. See IDAHO CODE §63-217.

PAYMENT OF A TAX DELINQUENCY

You may pay delinquent taxes on real property in full, by halves or in part. When taxes become delinquent, payments are applied to costs, interest, late charge and tax in the proportion each bears to the total amount due. When **any portion** of personal property or manufactured home taxes becomes delinquent, a **Warrant of Distraint is issued** to the county sheriff for collection.

See IDAHO CODE §63-903, §63-904, §63-1001, §63-1002, §63-1012.

EFFECT OF FAILURE TO RECEIVE NOTICE

If you do not receive a tax notice on property, this does not excuse the late charge and interest for non-payment. See IDAHO CODE §63-902(9).

SUBSEQUENT TAX BILLS

The bills are mailed when the assessor finalizes the missed property rolls after the end of the tax year. Subsequent tax bills reflect taxes for missed properties discovered and assessed after the primary tax roll is completed. See IDAHO CODE §63-903(5).

VOLUNTARY PREPAYMENT OF TAXES

If a partial payment is made for future taxes, the money will be held until the tax bills are generated for the appropriate tax year. Money held for future taxes **does not earn interest, does not stop collection proceedings on delinquent taxes, and cannot be withdrawn.** Late charge and interest will be charged on any delinquent taxes. All prepaid dollars will be applied to the total taxes due prior to generation of the property tax bills. You will receive a bill for any remaining balance. You may pay that amount according to the normal schedules and regulations for property tax collection. See IDAHO CODE §63-906.

REAL PROPERTY TAX

All taxes extended on the real property assessment roll or real new construction roll (occupancy tax) are payable on or before December 20. The taxes may be paid in full or paid in two (2) halves, the first half on or before December 20 with a grace period extending to June 20 for the second half if the first half is totally paid. If the first half is not paid on or before December 20, that half becomes delinquent and a 2% late charge will be added. Interest on any delinquent taxes and late charge is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half tax has been paid in part before the due date, late charge and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% late charge will be added. Interest on any delinquent taxes and late charge is calculated at the rate of 1% per month from January 1 of that year. If the second half taxes have been paid in part before the due date, late charge and interest are calculated on the remaining taxes.

See IDAHO CODE §63-903, §63-1001.

NEW CONSTRUCTION ROLL & OCCUPANCY TAX

Occupancy bills are used to collect taxes on a newly constructed building, prorated from the first date it is occupied through December 31. Occupancy taxes are due and payable in the same manner as all other property taxes. See IDAHO CODE §63-301A, §63-317.

• Payments subject to bank clearance.

• We will accept mailed payments as current if postmarked on or before December 20.

RE: Domestic and/or Stockwater Rights in Reporting Area 13, Basin 63
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 63 (the drainage area of the Boise River). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in basin 63 will be recommended in a later process.

Note that you have 180 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Boise, Caldwell, Payette, Emmett, Idaho City, Fairfield, or Mountain Home, and all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed as recommended after the 180-day objection period next year. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
