Comment: This right was originally claimed and filed as Right No. 63-161BV. During review it was discovered that it was a split of Right No. 63-161BL filed by Ward Stables. The review also showed that this right should have a portion of Right No. 63-161BL via Transfer No. 1010. Therefore, this right is now a split of Right No. 63-161BL and each are numbered 63-161BX (Ward) and 63-161BL(Coles). Each are getting their proportionate share of Right No. 63-161BL per the Transfer No. 1010.
