Re: A63-02432A & A63-02432B

Dear Mr Hoseley:

We are currently conducting field examinations in the area associated with the claims you filed in the Snake River Basin Adjudication. An examination is needed to verify the main components of the above referenced claims in the names of C & S Enterprises and Hoseley Trust.

The information on your claims that needs to be verified includes the source of water, current usages, amount of water used and the legal description of the point(s) of diversion and places of use.

In order to expedite the field examination, I would appreciate your call at 208-334-2190. It is not mandatory that you accompany me during the exam but it would be helpful for you or someone familiar with the property, diversion system and water rights be present to assist me.

Sincerely,

ADJUDICATION MEMORANDUM

CLAIM NO.: 463-02432A & B

SUBJECT: Current use of property

EMPLOYEE: Mel Schulte

DATE: 8-22-95

Chet Haseley called in response to my 8-14-95 letter. He gave permission to inspect both parcels. He said the property was not being farmed this year but has been in the past. Most of the ground is pasture with some grain ground. Currently watering some trees.

Two homes on property and two wells - the old ranch house is not used and will be torn down. Eventually the mobile home will be removed when they build a new home.

Located on Eagle Rd between Columbia and Lake Hazel Roads.

I advised Mr. Haseley that the # of irrigated acres could be adjusted to reflect loss due to roads and homes.
