Re: Fee for Notice of Claim to a Water Right No. 63-2815

Dear Claimant(s):

In reviewing your claim referenced above for submission in the Snake River Basin Adjudication (SRBA), it was discovered that the \$25.00 fee for filing a domestic water right had not been paid at the time the claim was filed. Before your claim can be recommended to the SRBA Court we must receive this filing fee. Please submit the \$25.00 fee by **February 15, 2005** so we may recommend this water right to the SRBA Court in the near future.

Enclosed is a layout with your water right place of use outlined in green and your point of diversion showing as a yellow dot. Please review these carefully to make sure they are in the locations you intended to claim.

Soon after we receive your check we will be sending you a Preliminary Recommendation for your review. There will be more detailed instructions in that envelope on reviewing your Recommendation and responding to this office if changes need to be made.

If you have any questions concerning this letter or your claim, please feel free to contact this office.

Sincerely,
