2. sboc 7/18/2002 diversion rate
Comment: the claimant did not claim the commercial use as licensed on 63-7521, therefore the combined diversion rate of these two rights has been reduced by the commercial use.

Comments:

1. sboc 7/18/2002 wells
Comment: I spoke with Mr. Ross he said that 3 wells are still on the property the southern most well is the main well and the backup well is located to the north, the northernmost well is only in association with 1 lot and is not now currently used.
2. sboc 7/18/2002 diversion rate
Comment: the claimant did not claim the commercial use as licensed on 63-7521, therefore the combined diversion rate of these two rights has been reduced by the commercial use.
