Re: Notice of Claim to a Water Right No. 63-4484

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflects the change in ownership of the land and appurtenant water rights, covered under the original filing.

Please note that the enclosed Notice of Claim to a Water Right is not a final determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim(s), please feel free to contact this office.

RE: CHANGE IN OWNERSHIP FOR SNAKE RIVER BASIN ADJUDICATION (SRBA) 63-04484.

Dear Ms. Revels,

The Idaho Department of Water Resources is currently in the process of reviewing Snake River Basin Adjudication claims in your area.

On 11/14/03 a contractor hired by IDWR by the name of Darwin Vander Stelt conducted a field exam in reference to your SRBA claim 63-04484.

The owner of the water right is listed as Oral Revels. Mr. Vander Stelt's notes indicate that Oral Revels passed away about 9 years ago and the water right claim should be in a different name be it an individual or trust.

In order for the department to make this change, a Notice of Change in Water Right Ownership form needs to be completed and returned to this office with the warranty deed or means of conveyance showing the current owner of the property.

For your convenience, I am enclosing a Notice of Change in Water Right Ownership form. Please complete the form and return it to this office with the requested information.

Please feel free to contact this office with any questions.

Respectfully submitted,

Craig L. Saxton
Sr. Water Resource Agent

Background Info:

The property belongs to Isabel Revels who is a widow of nine years. The claim is in her husbands' name. I was able to verify the place of use and point of diversion, and I got an affidavit from her attesting to the stockwater use. A neighbor who lived on the property in 1936 signed an affidavit affirming the priority date.

May need a change of ownership packet.

I did not measure the flow since it is less than .2 cfs
