If not the current owner of the property, I owned the property from _____ (date)

to _____ (date).

Verification of the Priority Date: I have knowledge of the priority date because:

I have a photograph of the house from the mid 1940's and the well was in existence before the house was built. Also the number "1955" is inscribed in the concrete on the floor of the mink barns so I know they are at least that old.

Verification of the Place of Use: I have shaded the area I irrigated with this water right on the attached aerial photo. NA

Verification of other uses: I also used water for 6000 mink. There was a flow through water trough system which flowed at approximately 9 gpm all year, night and day.

To my knowledge, the facts presented above are true.
