Snake River Basin Claim No. A63-4719

10-19-04

Attention Vicky Music -

Thank you so much for your explanation as to what was needed. Your patience was appreciated. The history about the well as I know it is as follows -

It was a part of the Packingham Ranch that covered a large portion of North West Boise just as the Tate Ranch covered South West Boise. I was told by Robert (Bob) Alworth who owned what is now my property at 1901 and 1903 North 24th that my property and well was used as the ranch hands housing with the Packingham main house standing where Booth Memorial now stands. (1617 Nth 24th) my understanding is that the Packingham Ranch existed around the Turn of the century or maybe before. Mr. Alworth did mention the 1920's and 1930's with him planting trees on what is now my

- 2 -

property in the 1940's. He sold what is now my property to Raymond and Evelyn Horst. Mr Horst was my Sunday School teacher during the 1950's and we had S.S. parties at his home (now mine) as early as 1952 which is the earliest date that I personally know about the well. My wife and I bought the property and well in question in May of 1964.

The early information noted from Mr. Robert (Bob) Alworth was obtained from him by me over the years he was my neighbor (1815 N. 24) from the time of our purchase in May of 1964 till his death several years ago.

Respectfully submitted
this 18th day of Oct. 2004.

Claim # A63-4719

10-18-04 TEF Forrest • location

Domestic use - on limited water for house. Dom - feeding dogs, car washing.

Well connected to sprinkler system.

Priority date - he knows the history of the well and will write statement. Wants out of town & ~~he~~ might not be able to get it in by 11-1-04. Said 11-15-04 would be fine.

He thought he submitted everything he needed but I explained the affidavit did not describe water use in the 1950s - I would only be able to get him a 1964 priority date.

RE: EVIDENCE OF PRIORITY

Snake River Basin Claim No(s): A63-4719

Dear Claimant(s),

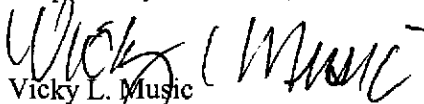

In the past, you submitted the above referenced claim(s) during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a computer generated print-out of the claim(s) for your reference only, it is not necessary to return this print-out or re-file it. You indicated, when this claim was filed, that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. This claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date.**"

If no evidence of this priority date is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right(s) if water availability problems arise in the future.

The required evidence supporting the priority date(s) requested needs to be submitted by November 1, 2004. Please let me know if you may not be able to submit proof of priority or have any questions not covered by this letter and the enclosed pamphlet, by the date indicated above.

Respectfully Submitted,

Vicky L. Music
