1. kbrown 8/4/2004 Domestic Reduction

Comment: Since Parcel No. R3046752310 is 0.553 acre and R3046752320 is 0.49 acre (total = 1.043 AC) and 1 acre was claimed, I reduced domestic use to 0.02 cfs for internal use only.

2. kbrown 8/4/2004 Accomplished POU/POD Transfer

Comment: There was an error in the claimed 1/4 1/4 for both the POU and POD. It appears the error is due to mapping techniques not available in the 1980s. This Accomplished Transfer is based on 2002 Ada County Tax Lot information and 1987 NAPP imagery. The correct POU & POD 1/4 1/4 is in the SENE, Sec 24; not the NENE.

CONVERSATION MEMORANDUM

RE: Snake River Adjudication Water Right No. A63-04743

August 3, 2004

Since I had four specific questions concerning this claim, I called #853-9216 and left a message on Irene Victory's answering machine.

August 4, 2004

Mrs. Victory returned my call this morning.

#1) Regarding the question of whether she still has shares in the Boise Valley Irrigation District, Mrs. Victory said that the ditch water has not been available since 1982; but that she still owns shares and has paid for them each year even though she has not used the surface water since that time. (I then spoke with my supervisor, Jan Shurte, about whether I should include Remark W44 in my recommendation and she said that although Mrs. Victory is not using the ditch water, she still owns the shares and the remark should be included in the recommendation.)

#2) Since the 2002 Ada County Tax Lot information shows that Esther Victory owns Parcel No. R3046752310 (0.553 acres) and the claimant, Irene Victory, claimed 1 acre of irrigation; I wanted to know if the original claim was for both parcels of land. Irene Victory stated that the 1 acre of irrigation encompassed both parcels of land in 1987.

#3) Since I reside in the same area as Mrs. Victory, I asked if her zip code had recently been changed from 83703 to 83714 and she said that it had.

#4) My last question concerned the location of the well, since the project map submitted with the claim did not depict its physical location accurately. Mrs. Victory said that the well is located approximately five feet from the front of her home; on the north west side of the house.

RE: EVIDENCE OF PRIORITY
Snake River Basin Claim No(s): A63-4743

Dear Claimant(s),

In the past, you submitted the above referenced claim(s) during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a computer generated print-out of the claim(s) for your reference only, it is not necessary to return this print-out or re-file it. You indicated, when this claim was filed, that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date.**"

If no evidence of your priority date is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right(s) if water availability problems arise in the future.

The required evidence supporting the priority date(s) requested needs to be submitted by October 7, 2003. Please let me know if you may not be able to submit proof of priority or have any questions not covered by this letter and the enclosed pamphlet, by the date indicated above.
