including all leases, permits, licenses or privileges, written or otherwise, appurtenant or nonappurtenant to said mortgaged premises, now held by mortgagors or hereafter issued, extended or renewed to them by the United States or the State or any department, bureau, or agency thereof, which have been or will be assigned or waived to mortgagee.

Together with the tenements, hereditaments, rights, privileges and appurtenances, including private roads, now or hereafter belonging to or used in connection with the above described premises; and all plumbing, lighting, heating, cooling, ventilating, elevating, watering and irrigating apparatus and other fixtures, now or hereafter belonging to or used in connection with the above described premises, all of which are hereby declared to be appurtenant to said land; and together with all waters and water rights of every kind and description and however evidenced, and all ditches or other conduits, rights therein and rights of way therefor, which now are or hereafter may be appurtenant to said premises or any part thereof, or used in connection therewith.

This conveyance is intended as a mortgage securing the performance of the covenants and agreements hereinafter contained, and the payment of the debt represented by one promissory note made by the mortgagors to the order of the mortgagee, of even date herewith, for the principal sum of \$195,000.00, with interest as provided for in said note, being payable in installments, the last of which being due and payable on the first day of February, 2003.

MORTGAGORS COVENANT AND AGREE:

That they are lawfully seized of said premises in fee simple, have good right and lawful authority to convey and mortgage the same, and that said premises are free from encumbrance; and each of the mortgagors will warrant and defend the same forever against the lawful claims and demands of all persons whomsoever, and this covenant shall not be extinguished by any foreclosure hereof, but shall run with the land.

To pay all debts and money secured hereby when due.

To keep the buildings and other improvements now or hereafter existing on said premises in good repair; to complete without delay the construction on said premises of any building, structure or improvement in progress, any improvements to existing structures in progress, and any improvements or remodeling for which the loan hereby secured was granted in whole or in part; not to remove or demolish or permit the removal or demolition of any building thereon; to restore promptly in a good and workmanlike manner any building, structure or improvement thereon which may be damaged or destroyed; to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property and its use; not to use or permit the use of said premises for any unlawful or objectionable purpose; not to cut or permit the cutting of timber from said premises except for domestic use; to maintain and cultivate the premises in good and husbandlike manner, using approved methods of preserving the fertility thereof; to keep the orchards on said lands properly irrigated, cultivated, sprayed, pruned and cared for; not to commit or suffer waste of any kind upon said premises; and to do all acts or things necessary to preserve all water rights now or hereafter appurtenant to or used in connection with said premises.

To pay before delinquency all taxes, assessments and other charges upon said premises, all assessments upon water company stock, and all rents, assessments and charges for water appurtenant to or used in connection with said property; and to suffer no other encumbrance, charge or lien against said premises which is superior to this mortgage.

To keep all buildings now existing or hereafter erected continuously insured against loss or damage by fire and such other risks in manner and form and in such company or companies and in such amounts as shall be satisfactory to the mortgagee; to pay all premiums and charges on all such insurance when due; to deposit with the mortgagee upon request all insurance policies affecting the premises, with receipts showing payment of all premiums and charges affecting said policies; and that all insurance whatsoever affecting the premises shall be made payable, in case of loss, to the mortgagee, with a loss payable clause in favor of and satisfactory to the mortgagee. The mortgagee shall be entitled to receive the proceeds of any loss under any such policy which may be applied by the mortgagee upon the indebtedness hereby secured in such manner as it may elect.

If any of the mortgaged property shall be taken under right of eminent domain, the mortgagee shall be entitled at its option to receive all compensation for the portion taken and damages to the remaining portion, to be applied by the mortgagee upon the indebtedness hereby secured in such manner as it shall elect.

Should the mortgagors be or become in default in any of the covenants or agreements herein contained, then the mortgagee (whether electing to declare the whole indebtedness hereby secured due and payable or not) may, at its option, perform the same in whole or in part and all expenditures made by the mortgagee in so doing, together with interest and costs, shall be immediately repayable by the mortgagors without demand, shall be secured by this mortgage, and shall draw interest until paid at the default rates provided for in the note hereby secured.

Time is material and of the essence hereof; and in case of breach of any of the covenants or agreements hereof, or if default be made in the payment of any of the sums hereby secured, or if the whole or any portion of said loan shall be expended for purposes other than those specified in the original application therefor except, by the written permission of said mortgagee, or if said land or any portion thereof shall be hereafter included in any special assessment district, then, in any such case, all indebtedness hereby secured, shall, at the election of the mortgagee, become immediately due without notice, and this mortgage may be foreclosed; but the failure of the mortgagee to exercise such option in any one or more instances shall not be considered as a waiver or relinquishment of the right to exercise such option upon or during the continuance of the same or any other default.

In case of any suit to foreclose this mortgage or to collect any charge growing out of the debt hereby secured, or any suit which the mortgagee may deem it necessary to prosecute or defend to effect or protect the lien hereof, the mortgagors agree to pay a reasonable sum as attorney's fees and all costs and legal expenses in connection with said suit, and further agree to pay the reasonable costs of searching records and abstracting or insuring the title, and such sums shall be secured hereby and included in the decree of foreclosure.

Upon or during the continuance of any default hereunder, the mortgagee shall have the right forthwith to enter into and upon the mortgaged premises and take possession thereof, and collect the rents, issues and profits thereof, and apply the same, less reasonable costs of collection, upon the indebtedness hereby secured, and the mortgagee shall have the right to the appointment of a receiver to collect the rents, issues and profits of the mortgaged premises. The rents, issues and profits of said premises after default are hereby assigned and mortgaged to the mortgagee as additional security for the indebtedness herein described.

This mortgage and the note secured hereby are executed and delivered under and in accordance with the Farm Credit Act of 1971 and any acts amendatory or supplementary thereto and the regulations of the Farm Credit Administration, and are subject to the terms, conditions and provisions thereof applicable to Federal Land Bank loans.

The covenants and agreements herein contained shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the respective parties hereto.

The mortgagor appearing on the first page hereof as Duane M. Yamamoto is the same person as Duane Yamamoto.

Each mortgagor agrees to provide to the mortgagee annually, within 90 days of the end of each mortgagor's fiscal year, in a form prescribed by or acceptable to the mortgagee, a current balance sheet and a current income and expense statement certified by mortgagor to be complete and accurate or, at mortgagee's option, audited by an independent accountant at mortgagor's expense.

It is agreed that this Mortgage, without affecting its validity as a real estate Mortgage, is also executed and shall be construed as a Security Agreement and as a Fixtures and/or Equipment Financing Statement under the Idaho Uniform Commercial Code, granting to Mortgagee a security interest in the personal property collateral described herein and in the goods described herein which are equipment and/or fixtures or are to become fixtures. ADA County(ies), State of IDAHO, more
particularly described in Exhibit "A" attached hereto and incorporated herein, including all rents, issues, profits, buildings and

by Mortgagee to protect the Property or enforce its rights under the Loan Documents. This conveyance is intended to secure
performance of the covenants and agreements contained herein, and in any Loan Documents, and payment of the indebtedness

DATE OF NOTE	PRINCIPAL AMOUNT	FINAL INSTALLMENT DATE
February 26, 1992	\$974,100.00	March 1, 1993

In addition, this mortgage is intended to secure any other loans and advances made within five years from the date of this mortgage
by Mortgagee to Mortgagors or any of them, no matter how evidenced; provided however, the aggregate sum of all unpaid principal
balances of all such loans and advances secured hereby shall not, at any one time, exceed \$ 1,200,000.00 ,
exclusive of interest and amounts advanced to protect Mortgagee's interests hereunder and under the Loan Documents. The
continuing validity and priority of this mortgage for future loans and advances shall not be impaired by the fact that at certain times
no outstanding indebtedness to Mortgagee nor commitment from Mortgagee to make future loans exist. The terms of the note(s)
and Loan Documents, described above, provide that the interest rate, payment terms or amounts due may be indexed, adjusted,
renewed or renegotiated.

THIS MORTGAGE IS ALSO INTENDED TO BE A FIXTURE FILING.

Mortgagors and each of them REPRESENT, WARRANT, COVENANT and AGREE:

1. That they have title to the Property free from encumbrances, except as described in Exhibit "A"; they have good right and lawful
authority to convey and encumber the same; they will warrant and defend the same forever against the lawful claims and
demands of all persons whomsoever; and they agree this covenant shall not be extinguished by foreclosure or other transfers.
2. To keep all buildings and other improvements, now or hereafter existing, in good repair; not to remove or demolish or permit
the removal or demolition of any building or other improvement; to restore promptly in a good and workmanlike manner, any
building or improvement, which may be damaged or destroyed; to maintain and cultivate the Property in a good and
husbandlike manner, using approved methods for preserving the fertility and productivity thereof; not to change or permit
change in the use of the Property; and not to do anything which would reduce the value of the Property.
3. To maintain casualty insurance, naming Mortgagee as loss payee, on all buildings and improvements, against loss or damage
by fire and other risks; to maintain liability insurance; to pay all premiums and charges on all such insurance when due; and to
provide Mortgagee satisfactory evidence of such insurance upon request. All such insurance shall be in such form(s), with such
company(ies) and in such amount(s) as shall be satisfactory to Mortgagee.

4. To pay all debts and money, secured hereby, when due; to pay, when due, all taxes, assessments, rents and other charges upon the Property and to suffer no other encumbrance, charge or lien on the Property, which would be superior to this mortgage, except as stated above.
5. To specifically assign and deliver to Mortgagee all rents, royalties, damages and payments of every kind, including without limitation insurance reimbursements and condemnation awards, at any time accruing, for any transfer, loss or seizure of the Property, any portion thereof or any rights therein; and Mortgagee may, at its option, apply such amounts in any proportion to any of the indebtedness hereby secured.
6. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property and its use, including without limitation all environmental laws; not to use or permit the use of the Property for any unlawful or objectionable purpose; to remedy any environmental contamination or violation of environmental laws that may occur or be discovered in the future; to allow Mortgagee access to the Property to inspect its condition and to test and monitor for compliance with applicable laws (any inspections or tests made by Mortgagee shall be for Mortgagee's purposes only and shall not be construed to create any responsibility or liability on the part of Mortgagee to Mortgagors or to any other person); to forward copies of any notices received from any environmental agencies to Mortgagee; and to indemnify and hold Mortgagee, its directors, employees, agents and its successors and assigns, harmless from and against any environmental claims of any kind, and all costs and expenses incurred in connection therewith, including, without limitation, attorney's fees.
7. That neither Mortgagors nor, to the best of Mortgagors' knowledge, any prior owner has created or permitted conditions on the Property, which may give rise to environmental liability; no enforcement actions are pending or threatened; no underground tanks are located on the Property except as already disclosed; any such underground tanks currently or previously located on the Property do not now and never have leaked and no contaminated soil is located on the Property; and Mortgagor's representations, warranties, covenants and indemnities herein and in the Loan Documents shall survive satisfaction of the note(s) and Loan Documents, foreclosure of this mortgage, acceptance of a deed in lieu of foreclosure or any transfer or abandonment of the Property.
8. To perform all terms and conditions of each water or other contract, described in Exhibit "A", if any, and to promptly pay all sums due or to become due under each contract so that no delinquency or default will occur under such contract(s); not to apply or enter into any federal, state or local program which limits or restricts the use of the Property, in any way without prior written consent of Mortgagee.
9. That the term "Grazing Rights," as hereinafter used refers to that portion of the Property, if any, consisting of grazing leases, permits, licenses, privileges, and preferences, or any of them, which have or will be assigned, mortgaged or waived to Mortgagee, together with any additions, renewals, replacements or substitutions thereof; if any portion of the Grazing Rights is a leasehold interest in state lands, such leasehold shall be considered to be real property; such leasehold and all other real property portions of the Property constitute a single operating unit; and in the event of foreclosure, Mortgagee shall have the right to have such leasehold and the other real property sold as a unit and not in parcels; any statements and representations in any applications for Grazing Rights are true and correct; Mortgagors have received no notice that the Grazing Rights have or are to be terminated, cancelled or modified; and any termination or cancellation of any of the Grazing Rights shall constitute an event of default under this mortgage.
10. To execute any instrument deemed necessary by the Mortgagee to assign, mortgage or waive such Grazing Rights to the Mortgagee; to pay all fees and charges, and to perform all acts and things necessary to preserve and keep in good standing the Grazing Rights; to take no action which would adversely affect the Grazing Rights; to procure renewals of the Grazing Rights upon or prior to their expiration date; to operate the lands covered by the Grazing Rights in conjunction with the other real estate portion of the Property and not to convey or attempt to convey either separately; to forward to Mortgagee copies of any notices received by Mortgagors regarding the Grazing Rights; and in the event of foreclosure of this mortgage, to waive all claims for preference in the Grazing Rights upon demand from the purchaser of the Property at foreclosure sale, or from any successor to such purchaser.
11. That if the Property is within an irrigation block and/or subject to water service contract(s) governed by the provisions of "Federal reclamation law," and the regulations issued thereunder, Mortgagors shall comply with the terms and provisions of said laws, regulations and contracts; Mortgagors, and each of them, for themselves, their heirs, successors and assigns, hereby appoint Mortgagee their attorney-in-fact to select and designate the portion of the property to be subject to a recordable contract, in the event Mortgagors become subject to the excess land limitation; if Mortgagors fail to comply with the terms of said law, regulations or contracts, or if the delivery of water for the irrigation of the Property is discontinued in whole or in part, Mortgagors shall be in default; in the event the Bureau of Reclamation determines that continued drainage maintenance on the Property is no longer feasible, and Mortgagors purchase other lands offered as a preference purchase right (as an adjustment for wetlands), Mortgagors shall execute a supplemental mortgage on such lands in favor of the Mortgagee; and failure to execute such mortgage on demand, shall constitute an event of default.
12. That in the event of default in any of the covenants or agreements herein, or in any of the Loan Documents, Mortgagee may, at its option perform the same, in whole or in part; any advances, including, without limitation, attorney fees or costs, paid or incurred by Mortgagee to protect or enforce its rights under the Loan Documents, in bankruptcy, appellate proceedings or otherwise, shall be payable on demand and shall become a part of the indebtedness secured by this mortgage.
13. That the indebtedness and obligations secured by this mortgage are personal to the Mortgagors and are not assignable by Mortgagors; Mortgagee relied upon the credit of Mortgagors, the interest of Mortgagors in the Property and the financial market conditions then existing when making this loan; if Mortgagors sell, transfer or convey or contract to sell, transfer or convey the Property, or any portion thereof, or if the ownership of any corporation or partnership, owning all or any portion of the Property shall be changed either by voluntary or involuntary sale or transfer or by operation of law, without prior written consent of Mortgagee, or if Mortgagors default in the payment of the indebtedness, or with respect to any warranty, covenant or agreement in the Loan Documents or if a receiver or trustee for any part of the Property is appointed, or if any proceeding under the bankruptcy or insolvency laws is commenced by or against Mortgagors, or if Mortgagors become insolvent, or if any action is commenced to foreclose or enforce a lien on any portion of the Property, then, Mortgagors shall be in default hereunder.

14. If the indebtedness is subject to a guarantee from Farmers Home Administration, that Mortgagors shall be in default under this mortgage, the above note(s) and Loan Documents should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M; prior to loss of the exemption from the highly erodible land conservation restrictions found in 7 CFR Part 12, Mortgagors must demonstrate that Mortgagors are actively applying an approved conservation plan on that land which has been determined to be highly erodible prior to 1990 or two years after the Soil Conservation Service has completed a soil survey for that land, whichever is later; and Mortgagors must demonstrate prior to January 1, 1995, that any production after that date of an agricultural commodity on highly erodible land will be done in compliance with an approved Soil Conservation Service conservation system.
15. That time is of the essence and in the event of default, at Mortgagee's option, the entire indebtedness secured hereby shall forthwith become due and payable and bear interest at the rate set forth in the Loan Documents for delinquent payments; Mortgagee shall have the right to foreclose the lien of this mortgage, to have a receiver appointed in any court proceeding, to collect any rents, issues and profits from the Property and apply them against the indebtedness hereby secured and to exercise any rights and remedies available under the Uniform Commercial Code for the state in which the property is located; and reasonable notice if required by such Code shall be five (5) days.
16. That the failure of Mortgagee to exercise any right or option provided herein, at any time shall not preclude Mortgagee from exercising any of such rights at any other time; the covenants and agreements contained herein shall be binding on and inure to the benefit of the parties and their respective heirs, successors and assigns; all rights conferred on Mortgagee are cumulative and additional to any rights conferred by law; and if any provision is found to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof and the mortgage shall be construed as though such provision had been omitted.
17. That Mortgagors and each of them join in this instrument for the purpose of subjecting each of their right, title and interest, if any, in the Property, whether of record or otherwise and including any right to possession, to the lien of this mortgage.
18. That the following parties join in this instrument to perfect the lien offered as security for the loan, but assume no liability for payment of the indebtedness described in the Loan Documents except for that arising under paragraph 6 above:
19. Additional covenants, terms and conditions are contained on the following described attachments which are incorporated in this mortgage as though set out here in full:
