Re: Snake River Basin Adjudication (SRBA)
Ada County - Notices of Claim #A63-07287, A63-07091 and Four
Unnumbered Claims for Boise State University (BSU)

Dear Mr. Carlson:

Enclosed is Boise State University's check in the amount of \$257.50 to cover the application for water rights under the Snake River Basin Adjudication Plan.

I also enclose for your files a special Power of Attorney issued by Boise State University to me for purposes of the Snake River Basin Adjudication. This enables me to sign any documents or to take whatever steps need to be taken in order to facilitate the position of the University's rights.

I will need a receipt of some kind from the Idaho Department of Water Resources so that I can document for the University the purposes to which the check is put. If you could send that to me at the above address, I would be grateful.

Thanks for all your help.

Very truly yours,

DONALD W. LOJEK
