NAME OF PARTY Mr. Westberg

EMPLOYEE Jim Johnson

RE: Licensing of 63-8191

Mr. Westberg called per the ten day letter of April 10, 1981. He said that the
place of use description was correct, however, because of an error made on the
original survey of the Star Acres Subdivision, the legal description was in-
correct. The proper location of Lot 4, Block 3, Star Acres Subdivision should
be in the NWSE $\frac{1}{4}$, Sec. 5, Twp. 4N, Rge. 1W.

I told him that if I could confirm this location I would prepare an Amendment
and send it to him.

I looked on the USGS map and it did not show enough information for confirmation.

I am requesting Mr. Westberg to provide what information he has to show the proper
location.

Re: Notice of Claim to a Water Right No. 63-8191

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflect the change in ownership of the land and appurtenant water rights, covered under the original filing.

Please note that the enclosed Notice of Claim to a Water Right is not a final determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Denise Buffington

Subject: Water Right Ownership Change

notice_change_ownership.url

Dear Ms. Slater:

Your recent email inquiry to this agency was forwarded to me by Mr. Larsen. Based on your information, you seek to update the ownership record of water right license 63-8191.

This can be done with the "notice of change in water right ownership" form available in the attached link. If the link does not work properly, you can find the form at www.idwr.id.state.us

At that homepage, look under "Top Picks" and click "IDWR Forms, Rules and Statutes." Then select "water rights" at the next screen and look for the ownership change form.

The \$25 filing fee to update the ownership is waived in your case because right 63-8191 is currently represented by an adjudication claim with the same number ("claim 63-8191"). The claim was filed to protect the licensed right. The claim is pending in the Snake River Basin Adjudication. As you can see from the ownership change instructions, this is why the fee is waived.

Should you need further assistance or if you cannot print the form from the Internet, please contact me at your convenience or call the Western Region office at 334-2190 and ask for the "office day person" for general assistance if I am not available. An office day person is available Monday-Friday from 8-5.
