Re: Notice of Claim to a Water Right No. 63-8775 & 63-26699

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflects your change in address.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

In addition, in order for these claims to be solely in the name of Janicek Properties LLC, we will need the legal documentation indicating the name change, which includes the legal description of the property. The Grant Deed currently in our records does not cover the Places of Use for the above referenced water rights.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim(s), please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".
