Kim,

We can just make the change. We will change the partial decree to have a period of use of 4-1 to 11-1, with a shoulder remark allowing use 3-15 to 11-15.

Thanks,
Ted Booth

Ted,

The period of use should have remained as licensed on the recommendation (**April 1 - November 1**) and the Condition should have stated: The use of this water for irrigation under this right may begin as early as **March 15** and may continue to as late as **November 15**. ...

Can this correction be made in our database today or is another procedure required?

Jan,

This one has an irrigation period of use that ends 11-15, but the shoulder remark indicates that it should end 11-1. Which is correct?

Ted
