RE: Evidence of Priority for SNAKE RIVER BASIN ADJUDICATION CLAIM No: **A63-15969**
& Follow up from my visit 1-16-03.

Dear Miren Osick,

In the past, you submitted the above referenced claim in the SNAKE RIVER BASIN ADJUDICATION. Enclosed is a computer-generated print out of the claims for your reference only, this print out is not to be returned or re-filed. You have indicated when this claim was filed that the water right was based on "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used, this date being the "Priority Date" as shown on the enclosed print-out. Your claim has not been confirmed by a previous filing with the IDAHO DEPARTMENT OF WATER RESOURCES since there is no decree, license, or permit on file to verify the use of this water. For this reason, IDAHO DEPARTMENT OF WATER RESOURCES is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water. Any other claims you may have filed, that are not listed above, do not require evidence of priority to be submitted at this time.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes why evidence of the priority date is necessary along with examples of types of evidence that can be submitted to fulfill this requirement. If no evidence is submitted, or we do not hear from you within the limit below, your priority date, as claimed, may not be recommended to the SNAKE RIVER BASIN ADJUDICATION court for decree. This could jeopardize your water use under this right, if water availability problems arise in the future. It is our goal to decree the historical water rights within the SNAKE RIVER BASIN as accurately as possible. Field exams to verify claims in this area are now being conducted by IDAHO DEPARTMENT OF WATER RESOURCES agents.

The required evidence supporting the priority date requested needs to be submitted by March 03, 2003. Please let me know if you may not be able to submit proof of priority, or have any questions not covered by this letter and the enclosed pamphlet, by the date above.

Sincerely,

Ron Howerton
Senior Water Right Agent
