RE: EVIDENCE OF PRIORITY
Snake River Basin Claim No(s): A63-4219E

Current owner: Perry and Isabel Flook
13153 N Horseshoe Bend Rd.
Boise ID 83714

EVIDENCE AFFIDAVIT:

Mr. Glenn Stillwell provides this statement of evidence. Mr. Stillwell is the previous owner of said property and Claims.

The Mary Glenn Subdivisions present point of diversion (off Dry Creek) for irrigation purposes is at the same location on the creek, and has been in use for irrigation since the land was originally homesteaded.

This was prior to 1900.

My Family (STILLWELLS), rented /leased this property from the original homesteaders the Clemmens family, before the turn of the century. I latter purchased the said property along dry creek. Myself and my Grand parents before me have always irrigated the land adjoining Dry Creek from that "point of diversion" on Dry creek at its present location, (which is now, Helen Yeagers property),

Sincerely

Glenn Stillwell

RE: EVIDENCE OF PRIORITY
Snake River Basin Claim No(s): A63-16781

Dear Claimant(s),

In the past, you submitted the above referenced claim(s) during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a printout of the claim(s) for your reference only. You indicated, when these claims were filed, that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. This claim(s) has not been confirmed by a previous filing with the Idaho Department of Water Resources (IDWR) since there is no decree, license, or permit on file to verify the use of this water. For this reason, IDWR is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date.**"

If no evidence of this priority date is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right(s) if water availability problems arise in the future. Please submit the required evidence supporting the priority date(s) by May 27, 2005.

Please let me know if have questions not covered by this letter and the enclosed pamphlet, by the date indicated above.

Sincerely,

Vicky L. Music
Senior Water Resource Agent

Enclosures: Notice of claim report for A63-16781 and "Evidence of Priority" brochure

NOTE: If you no longer own the property upon which this claim was filed, please contact this office immediately. Idaho State law requires that the Department be notified of a change of owner or address on a water right.
