INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Section 42-1409(7), Idaho Code. This statute provides that new property owners notify the Department of Water Resources (IDWR) of any change in ownership of a water right during an adjudication of water rights, and if a claim for the water right has not been filed to file the needed claim(s).

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures or if you have questions about completing this form please contact your nearest office of IDWR or you may call 1-800-451-4129 (toll-free).

The first line of the form asks for the date of closing so IDWR will have a record of the effective date of the property transfer.

The second line of information requires the legal description of the property being transferred. This information is **ESSENTIAL** and should be available from the documents that will be present at the time of closing. The first two lines of the legal description **MUST** be completed. IDWR's records are based upon legal descriptions using township, range, section and fractions of a section descriptions, and this information must be included on the form. If you also have available a legal description based upon a townsite or subdivision and lot and block number, please also include this additional information. A lot and block legal description is **NOT** a substitute for the township, range, section and fraction of a section description.

After completing the legal description, if all water is supplied by a public service water supply you may check the first box; complete the name, address and telephone information for yourself, the new owner; sign the form in the space provided and return the form to the IDWR office nearest you.

If there are water rights associated with the property, the seller should be able to provide you with the water right number(s). The water right number(s) for the property are to be put in the space provided at the second box on the form. If you or the seller believe there are water rights for the property but the numbers are unknown, then you may wish to call or come into an office of IDWR for assistance in identifying the water rights for the property involved. If claims for the property have not been filed you will be so advised by IDWR.

After the water right number(s) for the property has been entered on the form, complete the name and address information for **BOTH** the former owner/seller and for yourself, the new owner, in the spaces provided. Please also include your telephone number. If the property you have purchased is only part of the property owned by the former owner/seller, you may be purchasing only part of the total water right held by the seller. This means the water right held by the seller must be split so you get your proportionate share of the water right. Be sure to include a description of the portion of the water right you have purchased. The seller should be able to help you describe the portion of the water right for the property you have purchased.

If the former owner/seller will sign the form and the seller is shown as the claimant of the water right in IDWR's records, then you do not need to attach proof of ownership of the land or the water right. The seller should know if the original claim was filed by him, or if the seller has filed a change in ownership so the seller is shown as the claimant of the water right in IDWR's records. If the seller is not going to sign the form then you must attach some proof of ownership of the property described at the top of the form or proof of ownership referencing the specific water right(s) for the property.

The new owner must sign the form in the space provided. If the former owner/seller is available to sign the form please do so in the space provided.

When complete, the new owner and the former owner/seller should each retain one of the copies and return the original of the form to IDWR. You may return the form to the IDWR office nearest you or to: Idaho Department of Water Resources, Statehouse Mail, Boise, ID 83720-9000, Attention: Adjudication Bureau.

Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

Enclosed is my application for change of Water Right Ownership #63-24029 VI.
For Lot 6, Block 5, Eldorado Addition – 7046 Fairview Ave., Boise.

You records indicated that Brenda Colberg, 912 W. Greenhurst Rd., Nampa
was the former owner. I bought this property October 21, 2005 from HM
Investments (see Corporation Deed). I do not think HM Corp. has transferred
the water right into their name.

Enclosed you will find the transfer form as well as the deed into my name,
Glenda Jo Heiss. Thank you for notifying me. I will be transferring this again to
Heiss Investments, my LLC company. Could you put the water claim into my
name, Glenda Jo Heiss, Heiss Investment. LLC.

If you have any questions, please call me.

Dear Ms. Colberg:

Enclosed is your copy of the Notice of Claim to a Water Right, A63-24019. This is the adjudication claim for the property located on Fairview.

I was unable to determine the exact legal description from your point on the map. It could either be located in the SE1/4SW1/4 of section 6 or the SW1/4SW1/4 of that same section. I put it on your processed claim as being in the SE1/4SW1/4 of section 6. I flagged it for a field exam so we can determine at a later date the exact location of the property.

Also, I have submitted your application for permit on the same property, for processing. You will be hearing from that section of our office at a later date. If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Linda A. Werner

Dear Ms. Colberg;

I am writing in regard to our telephone conversation of Tuesday morning. Enclosed are the Application for Permit, with instructions, along with the claims you sent to us and the map showing the approximate location of the commercial property.

The date of first usage (priority date) will be the day we receive this application, with fee, in our office. The instructions will indicate how much water you wish to claim for the restaurant usage. The fee is dependent upon this. If you will send the difference between the \$25.00 already paid for the adjudication claims and cost of the permit application, I will transfer this money to the permit application fee.

Feel free to contact me if you have any questions.

Sincerely,

Dear Ms. Colberg:

Our records indicate that we have not received any reply from the letter dated January 23, 1990, mailed by myself. If you will recall, that was the letter in which your 3 Notices of Claims to a Water Right were returned.

Per a phone conversation with myself, you indicated that you were going to file an application for permit in place of the Notices of Claim. At the time of such filing the fee submitted for the Notices of Claim would have been transferred to the permit application fee.

Please advise me as to how you would like to proceed with this. At the time we are still holding your fee for a portion of the claims submitted, yet we have no claims which have been filed on. If you would send your reply to my attention within 30 days of the date of this letter. After such time it will be necessary to issue a refund for the \$25.00 claim fee submitted.

Sincerely,

Linda A. Werner

Adjudication Claim Form No. 42-1409(2)a., needs to be filed instead of Claim Form No. 42-1409(2)b., due to the following reasons: _____

Enclosed is the correct claim form with instructions for completion. The fee schedule is also in the instruction sheets to help you figure the fee needed for filing this type of claim form.

✓ An adjudication claim cannot be filed when no water use or development has taken place. An application for permit is the form to file at the time you decide to begin development. Claims are required only on development and uses completed prior to the commencement of the adjudication, November 19, 1987. Enclosed is an application for permit form with instructions to be completed at the time development will begin.

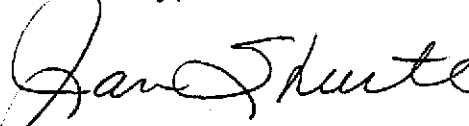

_____ An adjudication claim cannot be filed on an application for permit which has not been approved. Therefore, we are returning your Notice of Claim to you. An application for permit must be approved in order to establish a water right to file on.

✓ Other: These claims are being returned per our phone
conversation on January 16. Please see the attached
letter.

Please complete the above item(s) on your claim form(s), initial and date any changes or additions, and return the claim(s) to our office within 30 days from the date of this letter. If you are returning a claim form, which was received in our office by the deadline for your county, then as long as the corrected claim(s) is returned within the 30 day time period, no late fee will be charged. The claim should be returned to the Western Region Office, 2735 Airport Way, Boise, ID 83705, to the attention of Linda Werner.

Please feel free to contact this office if you have any questions concerning this letter.

Dear Ms. Werner;

Through past correspondence you have informed me that I don't need to file for Ground Water, but what I needed was a Permit.

I am confused. I believe I already have that because of a yearly billing for Irrigation District Tax receipt for:

Lt 6 Blk 5 Eldorado Addn, Sec 6 3N 2E

Is this the permit we are talking about or do I need an additional water permit. If so I believe that there might be a possibility that Collins Foods or Kentucky Fried Chicken (who lease the property) might have the permit in their name.

I apologize for taking so long to straighten this out. Your help is greatly appreciated.

Sincerely,

Brenda Colberg
