) FOR WATER RIGHT 63-31433

I. FINDINGS OF FACT

A notice of claim was filed for the above-captioned water right pursuant to I.C. § 42-1409. The Director of the State of Idaho Department of Water Resources (IDWR) examined the water system for this reporting area. The *Director's Report* contained a recommendation or abstract for the elements of this water right.

On April 21, 2006, the Edwards Family, LLC, by and through its counsel Dana Hofstetter, filed an objection to the *Director's Report*, asserting that the water right does not authorize the diversion of water from the Stewart Gulch Geothermal Aquifer. On February 6, 2007, a hearing on an *Order to Show Cause* (OTSC) was held, at which the claimant failed to appear. Pursuant to the terms of the OTSC, the objection was granted, resulting in the addition of a remark under the source element of the water right. The Idaho Department of Water Resources concurred with the addition of such language.

II. CONCLUSIONS OF LAW

Therefore based on the file and record herein, IT IS RECOMMENDED that water right 63-31433 be decreed with the elements as set forth in the attached *Recommendations for Partial Decree Pursuant to I.R.C.P. 54(b)*.

) Subcase 63-31433

Case No. 39576

) **ORDER TO SHOW CAUSE**

)

This matter came before this Special Master pursuant to a *Notice Setting Subcases for Initial Hearing* issued September 6, 2006. Michael Gregory and Jeanette Gregory (hereinafter "Claimants") were notified of the hearing via first class mail sent to his/her last known address. The Claimants failed to appear at the December 6, 2006, initial hearing either in person or through counsel.

On April 21, 2006, the Edwards Family LLC, by and through its attorney Dana Hofstetter of Hofstetter Law Offices LLC, filed an objection to the *Director's Report* for this water right claim, asserting:

To the extent that this water right authorizes the diversion of water from the Stewart Gulch Geothermal Aquifer it should not exist pursuant to *Silkey v. Tiegs*. Otherwise, the following provision should be listed under "Other Provisions Necessary for Definition or Administration of the Water Right:" The diversion and use of geothermal water is not authorized under this right. Also, the local name for the cold water well should be described.

It is hereby ordered that the Claimants shall appear before this Special Master on February 6, 2007, at 1:30 P.M. Mountain Time, at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho, or participate by telephone by dialing 1-225-383-1099 participation code 675342, to show cause why the objection filed by the Edwards Family LLC should not be granted. The purpose of the show cause hearing is to provide the Claimants with a final opportunity to oppose the objection despite failing to appear at the initial hearing.

Participation in the show cause hearing is **not mandatory** and failure to appear will not be considered contempt of court. **However, failure to appear will result in the Claimants being deemed to have consented to the remedy sought by the objector.** If the Claimants participate in the hearing, the Claimants will be expected to notify this Special Master whether he/she intends to oppose the objection, and accordingly a trial date will be set. In such case, no additional evidence or argument need be presented as subcase(s) will be allowed to proceed to trial as a matter of course. Therefore the parties need not produce testimony or evidence in accordance with I.R.C.P. 6(c)(4).

A copy of this *Order to Show Cause* shall be served upon the Claimants not less than five (5) days prior to the date herein shown, upon which those parties are required to appear before this Special Master and show cause. Service of the *Order to Show Cause* shall be made in accordance with I.R.C.P. 5(b) and 6(c)(2).
