Comments:

1. csaxton 9/2/2004 Split Claim

Comment: This claims a portion of license 63-07383.

2. csaxton 9/2/2004 Diversion Volume

Comment: Despite the fact that the source for this right is surface water and generally is not assigned a diversion volume for surface water. License 63-07383 which this claim is a portion of, listed a diversion volume. The diversion volume was carried over for this recommendation.
