DIVERSION VOLUME SHOWN IN LICENSE AS 354 AFA. IF CORRECT, THEN CONSUMPTIVE USE VOLUME 3.5 AFA/ACRE FOR 140 ACRES WOULD EXCEED DIVERSION VOLUME. CLAIM NEEDS VOLUME CORRECTION: COMPARE VOLUME REQUIREMENT X ACRES WITH VOLUME DIVERSION FOR SEASON 1.01 CFS. $VR = 140 \times 4.5 = 630$ AFA VS. $1.01 \times 214 \times 1.9835 = 428.7$ AFA.

Re: Original Notice of Claim to a Water Right No. 63-3150 & 63-7982

Renumbered Notice of Claim to a Water Right No. 63-32111 & 63-32113

Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. The new Notice of Claim to a Water Right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your water right. This claim represents a split of the claim filed by a previous owner during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you for your patience, as we have had several water right changes to process. Please feel free to contact this office if you have any questions concerning your claim or this letter.

Sincerely,

Adjudication Section
Western Region
