Renumbered to Notice of Claim to a Water Right No. A63-32167

Dear Mr. & Mrs. Coonse:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

Re: Water Right No. 63-9844

Dear Sir or Madam:

The land to which the above water right is appurtenant has been sold by the record owners, Richard D. Coonse and Donna M. Coonse, to their daughter, Monna Terry. I have enclosed a Notice of Change in Water Right Ownership, together with the attached Deed and map.

The status of this water right in the SRBA is that the Department has made a preliminary recommendation, but no final recommendation. The preliminary recommendation is dated May 31, 2005. I have also enclosed a copy of that with this letter. Therefore, I assume that no filing fee is necessary.

If anything further needs to be done to complete this transfer, please contact me immediately.

Very truly yours,
