CONVERSATION MEMORANDUM

**RE: Snake River Basin Adjudication Water Right Nos. A63-9436 & A63-20773
Notice of Error Reply**

October 12, 2006

Shirley Ramsower called in response to the Notice of Error/Preliminary Recommendation packet of information she received in the mail. Mrs. Ramsower began the conversation by stating, "I'm concerned" and began asking about her domestic claim; since she did not receive any information on it in the mailing she received. I explained that our department reviewed and recommended most of the domestic/stockwater claims about a decade ago and that her domestic claim (#63-20775) had already gone through the recommendation process and has been decreed.

Next, she wanted to know why one of her claims was disallowed. I explained that both 63-9436 and 63-20773 are basically the same claim; except for the priority date. I told Mrs. Ramsower that I disallowed licensed right #63-9436 in order that they retain the earlier priority date of 1960 that is associated with 63-20773.
