S.W. 1/4 of N.W. 1/4.

This "point of diversion" is a concrete diversion structure with flashboards which regulates the flow of the south and north channels of the Boise River. It is located at the east end of Eagle Island and permits diversion of sufficient amounts of water down the south channel of the Boise River to permit Pioneer Irrigation District to divert its water into the Phyllis and Caldwell Highline canals.

FIVE MILE--MASON CREEK--HIGHLINE

May 9, 1938

Years ago when Pioneer Irrigation District took over the Mason Creek Ditch Company and Franklin Ditch Company it enlarged the ditch those companies had been using and called it the Caldwell Highline. In return for rights-of-way of Franklin Ditch Company and Mason Creek Ditch Company, P.I.D. agreed to carry their decreed water from the river through the Highline ditch which P.I.D. had enlarged and make no assessments against the lands of those two ditch companies. Turner thinks there is a contract covering this. The Highline probably had no water until P.I.D. made this trade with the Franklin and Mason Creek Companies.

The Highline picks up Five Mile Drain water at a point about one mile South and East of the Franklin school, and picks up the Mason Creek Drain water at a point approximately two miles West of where the Five Mile water is picked up. P.I.D.'s contract with Canyon Hill Irrigation District covers this Mason Creek pickup.

Pioneer dries Five Mile Drain, dumps water into the Highline, and when there isn't sufficient water below for the Franklin and Mason Creek rights P.I.D. diverts over its canal sufficient water to supply the shortage.

These Franklin and Mason Creek rights comprise about 750 to 800 acres.

Mason Creek Ditch Company picks up the water diverted over the Highline at a point about $1\frac{1}{2}$ miles below the point where Highline crosses Five Mile Drain.

The Mason Creek Company and Mrs. J. P. Wells use the same diversion structure.

As to Highline water, P.I.D. has nothing decreed in its name. Its Highline water is decreed as follows:

To Franklin Ditch Company (Rights Nos. 34 and 77).

To Mason Creek Ditch Company (Right No. 46).
