Re: Pioneer Irrigation District / Water Right No. 63-21706 (Headgate House)
MTBR&F File No. 18-946.6

Dear Dave:

I am writing in response to your request that Pioneer Irrigation District provide additional evidence supporting the District's claimed priority date of May 1, 1958, concerning the above-referenced water right. The District identifies most of its pumps and wells by name. The pump which serves as the diversion instrument for this water right is identified as the "Cook" pump. Therefore, we are providing you with the following documents:

- Pioneer Irrigation District Pump and Well Maintenance Report for the Cook Pump, dated April 10, 1961, wherein it describes the maintenance work performed on the Cook pump on that date; and
- Pioneer Irrigation District Report for Pump No. 49 - Cook, dated May 2, 1961, wherein it describes the maintenance work performed on the Cook pump on that date.

We believe this evidence is sufficient to establish a priority date of at least April 10, 1961. Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

Tiffany M. Hudak
Paralegal

Re: Evidence of Priority Date

Dear Claimants:

RESPONSE DEADLINE
MARCH 21, 2006

The Notices of Claim to a Water Right (claim) identified with the numbers shown above your name have been filed in the Snake River Basin Adjudication (SRBA). The claims indicate your water usage is based on "Beneficial Use." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed and the historic use of the water.

Enclosed you will find a computer printout of the irrigation district's claims and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: IDWR will recommend the SRBA Court decree the claim disallowed if no evidence of the priority date and of the historic use is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. Our toll free number is 1-800-451-4129.

Sincerely,

David R. Tuthill, Jr.

RE: Snake River Basin Adjudication (SRBA)
Change in Notice of Appearance of Counsel on the Snake River
Basin Adjudication Claims for Owen Ranches, Pioneer
Irrigation District and Settlers' Irrigation District

Dear Scott:

Following your letter request to David Shaw of December 10, 1993, attached is an adjudication report denoting the claims filed by your clients referenced above that have been changed. We have also updated water right 57-00040 for Pioneer Irrigation as you requested.

Please note water rights claims showing Richard L. Owen as claimant were not changed in our database. You may wish to file another Notice to the court if you are representing Richard L. Owen as well as Owen Ranches, each of whom have filed claims as if they were unrelated parties.

Call me if you have questions.

Sincerely,

Donald V. Shaff
